PURPOSE: To govern the use of alcoholic beverages at events within the Harper Center for Student Life and Learning. This policy has been developed to ensure the most responsible approach for the use of alcohol in compliance with the law and to establish an environment in which the misuse of alcohol is not tolerated.

SOURCE: Harper Center for Student Life and Learning Administration

POLICY: This policy recognizes drinking alcohol is a privilege, not a right. Responsible drinking is defined to be "consumption without infringing on the rights of one's self or community."

The final decision on whether to continue serving a guest will rest with the building manager and/or the on-site food service manager after consultation with the event host in charge.
4. FOOD SERVICE

A. Alcohol served at any event must be accompanied by a food order. Food service must be:
   • A meal offered in a seated or buffet style, or
   • A reception including hors d'oeuvres, snacks, and finger foods, or
   • Sufficient quantities of food provided throughout the event as determined by the Director of
     the Skutt and Harper Centers or designee.

B. Non-alcoholic beverages must be offered as an alternative.

5. SERVING DURATIONS

A. The duration of alcohol service may not exceed six hours when accompanied by a meal.

B. A four-hour limit will be placed on alcohol service at any other event.

C. Last call will be made 45 minutes prior to the scheduled closure of the event. Bars will close
   30 minutes prior to the event's end.

D. Any event with duration of two hours or less will not be governed by point 5.C.

E. Alcohol will not be served after 12:45 a.m.

6. STYLE OF SERVICE

A. A cash bar is any event where an exchange of money transpires for the privilege of consuming
   alcohol.

B. An open bar is any event where alcohol is dispensed free of charge to guests.

7. AREA RESTRICTIONS

A. Alcohol consumption will be restricted to the area reserved for the event.
