Imagine
Encounter
Inspire
CREIGHTON UNIVERSITY
SUMMER PREVIEW 2011
What Does it mean to Imagine, Encounter, Inspire at Creighton University?

The process BEGINS with Summer Preview!

SUMMER PREVIEW
JULY 2011
Starting with Summer Preview, the new student can IMAGINE all the possibilities at Creighton and take the time to meet and make friends, meet advisors, learn about the Creighton community, and experience the day in the life of a Creighton student!

WELCOME WEEK
AUGUST 2011
At Welcome Week and throughout the Ratio Studiorum Program class in the Fall students will be able to ENCOUNTER the opportunities that Creighton has to offer and the needs of the greater Omaha community. These encounters at Creighton will motivate students to move forward and turn their imagination into action.

CREIGHTON AND BEYOND
The remaining years will prepare students to go beyond just the Creighton community, further empowering them to go forth and INSPIRE others!

Summer Preview Dates
July 11-12, July 14-15
July 18-19, July 21-22

Don’t forget to submit your updated vaccine information.

Get ready to IMAGINE, ENCOUNTER, and INSPIRE...

Summer Preview is part of Creighton University’s new student orientation program designed for incoming students and their families.

Students have the opportunity to meet with Faculty Preceptors, finalize fall class schedules, meet other students, become acquainted with Creighton’s campus, and most of all—have fun!

Families will be able to ask questions to a student panel, attend a variety of interest sessions, view residence hall rooms, and much more.

“We were so very glad we took the time to participate. With our daughter leaving home for the first time and going so far from home, we really felt like Creighton was the right place for her!”
— Family reaction to Summer Preview 2010

“We the time we were given to interact with other incoming new students was very helpful. Also, the kindness and welcoming I received from every member of the Creighton family made me feel like I was already a part of the Bluejay tradition!”
— Student reaction to Summer Preview 2010
