CONTACT

Skutt Shutdown is an annual event that takes place in the Fall Semester. It is a huge involvement fair where Creighton's clubs are represented and all students are able to see what involvement opportunities await them! For this event, the Student Leadership and Involvement Center pairs with the Skutt Student Center to complete shutdown and transform the building for a night filled of involvement, activities, food, and fun!

Skutt Shutdown is an exciting and interactive event for the Creighton Student Body that encourages students to participate and engage with others while learning about student organizations. Students are given the opportunity to explore and meet new people in a friendly atmosphere while finding their passions and developing their identities.
