New Student Organization Application

Deadline for submission is the Wednesday before Fall Break and the Wednesday before Spring Break.

Overview

The first step to starting a new student organization begins by making an appointment with the Assistant Director of Student Activities for Leadership and Student Organizations who will advise you through the process of registering your student organization. Contact the Student Activities Office at 280-1715 or sao@creighton.edu to set up an appointment.

You will need to complete the application packet. The Assistant Director of Student Activities may assist you in completing this packet which must include:

- The application form (available in the Student Activities Office or at www.creighton.edu/studentactivities)
- A proposed constitution
- A proposed mission statement
- Calendar of proposed events for the year

To increase your organization’s chance for approval, present your constitution and mission statement to the Assistant Director of Student Activities for review several weeks before the Student Organization Review Committee (SORC) meets. The Assistant Director is familiar with the requirements necessary to create a sound and functional constitution, so use his/her talents to ensure your organization’s success. The Student Activities website (www.creighton.edu/studentactivities) provides an overview of and basic instruction through the application and also provides a sample constitution, mission statement, and calendar of proposed events.

Creighton University Student Handbook Policy:

- It is strongly encouraged that membership be open to all students without regard to race, color, national or ethnic origin, disability, sex, religion or sexual orientation.
