The Jesuit Academy is the corporate service sponsor of the Creighton Students Union. The school's mission is to provide young men of all faiths a quality educational opportunity and encourage them to claim ownership of their lives and develop themselves into responsible leaders. The school is guided by Catholic principles and the basics of a Jesuit education: values, academic excellence, self-discipline, religious diversity, and being men-for-others. The school prepares its graduates academically, socially, and spiritually for a lifetime of leadership and acceptance into a college preparatory curriculum.

Proceeds from the Jaywalk have sponsored students' education and given the school the opportunity to expand their educational horizons.
