

# Welcome Week 2012

Dear New Student:

Welcome to Creighton University! We are extremely excited that you have chosen Creighton and look forward to meeting you. The Welcome Week staff has been preparing for your arrival since last fall and we have several great events planned to make your first week at Creighton fun and memorable. The theme for this year's orientation is **Embrace Your Journey**. During your time at Creighton, you will have many opportunities to grow as an individual, both in the classroom and in the community. You will have the opportunity to choose classes, determine your level of involvement, and select the group of Bluejays you will call "friends." We encourage you to get the most out of your time at Creighton and all the experiences that go along with it; we hope that you will **Embrace Your Journey**.

Over the next few years, you will become familiar with the Jesuit ideals upon which our university was founded. These ideals help students find success academically, socially, and spiritually, and these values will allow you as a Creighton student to grow and learn in more ways than you ever thought possible.

This year's Welcome Week begins on Saturday, August 18, 2012, with move in from 8:00 am -12:00 pm. During this time Welcome Week leaders will be available to assist you with moving your belongings into your room.

The Welcome Week website ([www.creighton.edu/welcomeweek](http://www.creighton.edu/welcomeweek)) has much more information including: move-in directions and instructions, maps, a checklist for what to bring to Creighton, information about nearby hotels, and more details on the events scheduled during Welcome Week. We also invite you to connect with us on Twitter ([@CUWelcomeWeek](https://twitter.com/CUWelcomeWeek)) and like our Facebook page ([Creighton University Welcome Week](https://www.facebook.com/CreightonUniversityWelcomeWeek)) as we will be providing updates throughout the summer.

The Welcome Week staff is here to help you in any way we can. Our staff of 130 student leaders in lime green shirts will be on campus throughout Welcome Week to assist you and answer any questions you might have. In the mean time, please feel free to contact us with any questions through email at [welcomeweek@creighton.edu](mailto:welcomeweek@creighton.edu). We wish you the best as you embark on your journey at Creighton.

Go Jays!

## Important Immunization Information

Creighton University has specific immunization requirements for its students to promote a safe and healthy campus. Students can put their immunization history online via the Immunization Tracker in NEST or use the immunization form sent during the summer. Students are required to have their immunization information complete with the University **prior** to moving into the residence halls. For more information on Creighton University's immunization requirements, please visit <http://www.creighton.edu/chc/healthservices/immunizationrequirements/index.php>

## Move-In Tips

Please follow these tips to ensure a smooth arrival to Creighton:

- Arrive on your assigned day
- Label all your boxes and items with your name, hall, and room number
- Pack efficiently by using good boxes and tape things closed
- Follow the driving directions on the [Welcome Week website](#) - Do not use GPS services.
