About Eastern Nebraska Trails Network

Eastern Nebraska Trails Network (ENTN), in cooperation with the Nebraska Trails Foundation 501(c)(3) tax-deductible corporation, was formed in April 1992.

ENTN advocates and supports the development of multi-use trails throughout the Omaha and surrounding areas.

ENTN’s ongoing activities include assisting in the acquisition of land for trails, monitoring state legislative bills that impact the future of trails, and promoting public awareness.

These activities enable ENTN to work toward long term goals which the proceeds from this event will help fund:
- Development of trails on land held by Douglas County and the Papio NRD that await funding.
- Trail connection to Nebraska Game & Park facilities at Platte River.
- Trans-Missouri River connection to Iowa’s trails.
- Trail accessing Heron Haven.
- Trail connection between Omaha and Lincoln.

Note to “Employee Participants”

Each employee participant must register at the turn-around station in order to earn points for their corporate team. It is assumed that the cyclist will ride the return route to the finish line to have earned the total points.

Participants may register for one tour but then complete a different tour on the day of the event. For example: If a cyclist registered for the Riverside Ride (25 mi.) but decided to continue on with the Tour de Fort (42 mi.). The cyclist should register at the Fort Calhoun turn-around station and then will receive 45 mi./points.

Support:

The Corporate Cycling Challenge is a fully supported event with technical assistance provided by Olympia Cycle & Heartland React.

Sag vehicles will be available along all routes. Food, water, and restrooms are also provided.

Rules For All Riders:

Participants must:
- Wear an ANSI or SNELL approved helmet.
- Carry at least one water bottle.
- Obey all state, county, and city traffic laws.
- Not ride abreast.
- Follow the designated tour route.
- Finish by 1:00 p.m. to ensure SAG support.
