I feel like I have known Shaune for years even though I met him five months ago. I guess time flies when you're having fun! Shaune Decker is my buddy and I am so lucky to have a friend who is so full of life. He loves to participate in many hands on activities and has a great passion and talent in bowling, playing basketball, mini golf and any other sport he can be part of. He is so much more athletically inclined than me and often corrects me on my technique, especially in mini golf! He has taught me a lot about sports. J

When I call Shaune on the weekends, he loves telling me how his week at work went, but most importantly shares positive stories about his younger sister. He's a family man! Like Shaune, I also have a sister, Kelcie, who is 3 years older.

One thing that Shaune and I enjoy the most together is eating! Every time we spend time with each other, we always make it a point to pick up something to eat. Shaune was very excited about the March Hui O Hawaii Club luau because he wanted to try the different ethnic foods from Hawaii that I've told him about. I was born and raised on Kauai, Hawaii and have lived there my entire life.

The growing friendship between Shaune and I has helped me make a positive transition into Creighton. I am an Exercise Science major who hopes to pursue a degree in Physical Therapy at Creighton. Best Buddies has helped make my first year at Creighton enjoyable and memorable!

March Group Event: CU Hawaiian Club Lu'au

Aloha Buddies! The Best Buddies Creighton chapter took a tropical vacation in Omaha to the Kiewit Fitness Center on campus where the university's Hawaiian Club treated students, faculty, friends, and the Omaha community to a traditional event unlike any other. The Lu'au was held in celebration of the anniversary of Hawaii's statehood. The event began with authentic Hawaiian and Asian cuisine, a delicious treat indeed. Buddies sat around large tables and took in the excitement, tastes and music of Hawaiian culture. The atmosphere was trilling. The main event finally begun as dancers entered the stage and performed to the rhythms of drums and the voices of Hawaiian singers. The acts were very well performed and the Buddies and College Buddies were captivated by the different cultural customs and dances demonstrated by the performers. An experience unlike any other, Buddies enjoyed the exposure to something completely different.
