BUDDY PROFILE: Casey and Kyle

Casey and Kyle have been friends for over a year now and are excited for their second year in Best Buddies.

Casey is a 21 year old buddy who can talk to anybody and loves being around people. He enjoys doing lots of activities, outdoors and indoors. Every weekend he goes horse-riding and enjoys watching and playing sports. He also loves to dance and listen to music on the radio, including lots of hip-hop!

Kyle is a 20 year old college buddy who is also outgoing, but maybe not as much as Casey! He also enjoys being outside a lot and playing sports in the Opus Hall courtyard. He is a huge music fan and likes most genres of music.

While he is not as much of a crazy dancer as Casey, Kyle and Casey have a great time going to dances and seeing all the people dressed so fancy! They also go see movies at least every other month, and have even gone to pumpkin patches in the past! They have a great time laughing and sharing together!

September Group Event: Ice Cream Social Matching Event

We all scream for ice cream! And friendship! On September 28th, the Creighton University Best Buddies Chapter celebrated the beginnings of many new friendships with sprinkles and chocolate sauce. Both College Buddies and Buddies waited anxiously to meet each other for the first time. Ashly, the College Buddy Director, and Lisa, the Program Director, introduced the program and then began the matching. As Buddy Pairs met each other, they shook hands and got in line for ice cream. Everyone was talking and getting to know their Buddy and first impressions were made. We wish everyone the best of times with their Buddies, but really, any relationship that begins with ice cream is bound for good times!

Fun Idea:
Find out what flavor of ice cream is your Buddy's favorite and make some of your own ice cream sundaes.

Everyone checked in with Kyle first.

Excitedly waiting to get matched.

Ice cream and toppings and friendship, oh my!
