About Eastern Nebraska Trails Network

Eastern Nebraska Trails Network (ENTN), in cooperation with the Nebraska Trails Foundation 501(c)(3) tax-deductible corporation, was formed in April 1992.

ENTN advocates and supports the development of multi-use trails throughout the Omaha and surrounding areas.

ENTN's ongoing activities include assisting in the acquisition of land for trails, monitoring state legislative bills that impact the future of trails, and promoting public awareness.

These activities enable ENTN to work toward long term goals which the proceeds from this event will help fund:

- * Development of trails on land held by Douglas County and the Papio NRD that await funding.
- * Trail connection to Nebraska Game & Park facilities at Platte River.
- * Trans-Missouri River connection to Iowa's trails.
- * Trail accessing Heron Haven.
- * Trail connection between Omaha and Lincoln.
