Addressing Health Disparities: Focus on Cancer

Saturday, April 21, 2007

Creighton University
Hixson Lied Science Building
Room G04
2500 California Plaza
Omaha, Nebraska

SPONSORED BY:
Health Sciences – Multicultural and Community Affairs (HS-MACA)
Preventive Medicine Department
Continuing Medical Education Division

DESIGNED FOR:
• Primary Care Physicians
• Pharmacists
• Dentists
• Nurse Practitioners / Nurses
• Physician Assistants
• Physical Therapists
• Occupational Therapists
• Social Workers
• Residents
• Full-Time Medical Students
• Other Interested Healthcare Personnel
### PURPOSE AND OBJECTIVES

**PURPOSE:** To inform health care providers about the roles of ethics, public health and clinical cancer management in addressing health disparities.

**OBJECTIVES:** At the end of this workshop, the participant should be able to:

- Define health disparities
- Apply the epidemiological consideration in addressing health disparities research
- Identify ethical considerations and challenges in addressing health disparities
- Recognize role of public health in addressing health disparities
