- Minutes Approved with addition of Mary Lee and Jerry while Richard was absent
- Pastor’s report: Bert is doing well and Fr. Pat Malone is now acting pastor
- Parish Picnic: Successful endeavor. Fewer children than last year. Involve more children next year and develop a plan to do so.
- Student Soup Supper: It was successful. First Semester Day November 7th 2010 after 4:30 mass Linda Hayek to spearhead with assistance of Jackie Arnason.
- 125th year Church History Publication -2012: The company is coming and wants to know if we are still interested. Do we want to it alone or with the company? Or do we never want to do it? Who will find the photos or the information and do the research? This is a more important question than what publishing company. Should we compile a committee to plan a celebration? Janet will check on the status of the history of St. John’s Church with the help of Bob. And we have decided not to utilize that company for publishing.

  - Kathleen Hospitality – We need people to step up and doing this (We currently do not have the people to do funeral lunches). Previously it was solely handled by the family but has slowly become the responsibility of Kathleen and the church. Move it to make an ad-hoc committee to plan it. Anne will chair the committee
  - Need groups to count the cash (Could be a job for the ushers) – Jerry, Bob, and Anne and Richard will talk to the ushers at their respective masses.
