### ANGELA HUTCHINGS

I slept in an extra-large hoodie when I went on Encounter. It wasn't because the cabin was an icebox (or maybe it was) ... I slept in a hoodie because it felt like I was being hugged- like a force was holding me together as I broke down to find a newer and healthier version of myself.

### CHRIS TORRES LOPEZ

"I have always found peace in nature; in fact, I actually took a nap during my Encounter with Christ Retreat on top of a hill listening to the birds chirp and the wind pass through the leaves. "Campus Ministry has taught me that everyone views God in different ways and that there is no one "correct way" to having a spiritual life. [continue reading...](#)

### KRISTA CHANG

At the beginning of the Spring semester, I attended the Silent Retreat with Campus Ministry, and it was one of the most peaceful, insightful, and inspiring experiences I've ever had. I had the opportunity to remove myself from distractions that often disconnect me from my faith, leaving me with myself, my thoughts, and God's presence. [continue reading...](#)

### Fall VIA Hike

A group of juniors and seniors made it out to Fontenelle Forest again this past weekend for a hike. VIA, which means the way, is an invitation for students to explore, engage, and reflect on their faith lives now and what this means as they journey through their time at Creighton.

## 2020 Ignatian Camino

The monastery of Our Lady of Montserrat where St. Ignatius of Loyola laid down his sword and took up the pilgrim's staff.

Inspired by the pilgrim St. Ignatius of Loyola, this program provides an international journey which engages awareness, experience, prayer, and reflection for students through the Ignatian tradition of pilgrimage. The journey is bidirectional: (1) an outwardly-focused pilgrimage of deep engagement with the lived experience of St. Ignatius of Loyola, and (2) an inwardly-focused pilgrimage discerning our own relationship with God.

Creighton students will walk prayerfully in the footsteps of St. Ignatius through Loyola, Montserrat, Manresa, Barcelona, and other parts of Northern Spain. Students will have the opportunity to be in some of the significant places of St. Ignatius' life and walk approx. 120 miles of the same ground St. Ignatius walked almost 500 years ago.

In 2020, Creighton students will walk the way with students from Xavier University and John Carroll University.
