<sup>1</sup> One of the role support electives will be an approved Environmental Health course

<sup>2</sup> A number of the NDR courses are offered during multiple semesters offering students flexibility in developing their plans of study. Please note that the NDR course offering times may change. The student and faculty advisor will work together to insure that all NDR course requirements are met prior to graduation.

During the first semester of enrollment, the student and the academic advisor must develop an official program plan. The original plan and any variation from it after matriculation must be approved by the advisor and by the DNP Program Chair.
