St. Francis Pledge to Protect Creation and the Poor

We pledge to:

**PRAY**
and reflect on the duty to care for God’s Creation and to protect the poor and vulnerable.

**LEARN**
about and educate others on the causes and moral dimensions of climate change.

**ASSESS**
how we as individuals and in our families, parishes and other affiliations contribute to climate change by our own energy use, consumption, waste, etc.

**ACT**
to change our choices and behaviors to reduce the ways we contribute to climate change.

**ADVOCATE**
for Catholic principles and priorities in climate change discussions and decisions, especially as they impact those who are poor and vulnerable.

On behalf of Creighton University.
I, Timothy R. Lannon, S.J., President of Creighton University, sign the St. Francis Pledge on this fourth day of October, in the year of our Lord 2013.
