MISSION WEEK

ALL THINGS IGNATIAN Celebrating Mission at Creighton University

Departmental Retreat Opportunities

An *overnight silent retreat* at Creighton University Retreat Center in Griswold, IA. A chance to reflect on the invitation to move forward with Creighton's mission in a spirit of compassion.

A *retreat day on campus*. The experience would invite the department's faculty and staff to prayerful experiences away form the usual workplace.

A "morning on mission" which includes presentations and periods of personal reflection on the department's mission.

Physics Department Retreat
