Welcome to Creighton

Managing our overall health (physical, emotional, financial and spiritual) is essential and continues to be at the forefront of our total rewards strategy at Creighton. The Total Rewards program includes benefits to assist employees in their health and well-being, financial security, development and growth, and work-life balance. When combined with the overall campus experience, the Total Rewards program reflects Creighton University's Catholic, Jesuit mission and values.

This document serves as a guide to Creighton's Total Rewards program. As you read through this guide, you'll learn about tools and services we offer to help employees manage rising health care costs and to optimize their benefits.

When do my benefits begin?

If you are in a benefit eligible position and are scheduled to work at least 20 hours per week (1,040 hours per year), you are eligible for benefits. Coverage begins the first of the month following your hire date, unless your hire date is the first, then coverage would begin that day. Enrollment must be completed within 31 days of your hire date. Outside of new hire enrollment, unless you experience a family status change, you are locked into your elections until the next annual Open Enrollment period, which takes place every fall.

Changes must be made within 30 days of the event. Log in to the ADP Benefits system through **my.creighton.edu**, or call the ADP Solutions Center at **866.903.8216**, the day following the date you lose or gain coverage to make your coverage changes.

The requested change must be consistent with the event. While you can change who is covered under the health plan with a qualified event, you may not change the health plan option currently in force (i.e., you cannot change from HDHP to PPO1 after having a baby). Human Resources requires documentation to substantiate coverage changes. Do not wait for documentation to notify us of your need to make a change.

EXAMPLES OF FAMILY STATUS CHANGES ARE:

- Change in legal marital status (marriage, divorce, death)
- Change in the number of dependents (birth, adoption, death, full-time student status)
- Change in employment status that affects coverage (new/termination of employment, or change in hours worked by a dependent spouse)
- Loss or gaining of other coverage

Notification of your qualified status change **MUST** be made within 30 days of the event. If you do not request a change within 30 days of the event date, your next opportunity to make changes is Open Enrollment, effective the first of the following year. If you have questions, please email the Benefits team at **benefits@creighton.edu**.

How do I enroll?

Enrolling for your benefits is easy and convenient. With single sign-on, you will use your NetID and BLUE password (how you log in to the network, view your email, etc.) to get into the ADP Benefits System.

Here's how

- Go to **my.creighton.edu**; click the Benefits Enrollment icon and enter your netID@creighton.edu as username (net12345@creighton.edu) and BLUE password for single sign-on access.
- Click on your enrollment opportunity.
- Follow the system instructions to verify your dependents and beneficiaries and enroll or make changes.
 - **SPOUSE:** An individual of the same or opposite sex to whom you are legally married.
 - **DEPENDENT:** You or your spouse's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom you or your spouse are the legal guardian; or an unmarried child age 26 or over who is or becomes disabled and dependent upon you.
- Download and print or save a confirmation statement.

Firefox and Chrome are the preferred browsers for accessing the ADP Benefits System.

ADP Dependent Verification Service Center: All newly added family members will be asked to submit documentation as part of the University's dependent verification process. In the weeks following your election, requests for verification will be mailed from the Dependent Verification Center and will include instructions detailing the required documents and your options for submitting them. The documents verifying your relationship must be submitted by the deadline shown in the letter to ensure your dependent's continued coverage.

2024 Benefit Plan Summary

Below is a snapshot of Creighton's elective employee benefits. For more details, such as plan documents, claim forms, etc., visit my.creighton.edu/hr/benefits-new.

Elective benefits

HEALTH INSURANCE PLANS

Comprehensive medical coverage, including physician, hospital and wellness benefits, are administered by UnitedHealthcare (UHC). The integrated prescription drug benefit is provided by Express Scripts (ESI). We have also partnered with RxBenefits for the prescription plan.

DENTAL PLAN

Administered by MetLife, the dental plan provides for preventive, basic and major services as well as orthodontia coverage for dependent children and adults.

VISION PLAN

The Vision Service Plan (VSP) provides you preventive vision care benefits, including routine eye exams, reduced-cost frames, lenses and contacts along with other discounts and benefits.

FLEXIBLE SPENDING ACCOUNT (FSA)

Medical and dependent care FSAs allow you to pay for eligible expenses with pre-tax dollars. The funds are deposited into a special account that can be used to pay for certain health care and dependent child/elder care expenses.

HEALTH SAVINGS ACCOUNTS (HSA)

For those participating in the HDHP plan, an HSA is available to set aside pre-tax dollars to pay for eligible medical, dental and vision expenses.

SHORT-TERM DISABILITY

Short-term disability is available to all benefit-eligible employees and is 100% employee paid. These benefits pay 67% of your before-tax weekly earnings up to the maximum weekly benefit for up to 11 weeks.

LONG-TERM DISABILITY

Creighton automatically enrolls you into the long-term disability program and pays 100% of the cost of this benefit. If you need to file a claim, the benefit is taxable to you. You do have the option to enroll in the Tax-Choice option where you pay the premiums and, in the event you file a claim, the benefit is tax-free.

GROUP TERM LIFE AND ACCIDENTAL DEATH INSURANCE

Creighton pays for a policy equal to one times your annual salary to a maximum of \$100,000 with Mutual of Omaha.

VOLUNTARY TERM LIFE AND ACCIDENTAL DEATH INSURANCE

To provide added financial stability, you can enroll in additional life insurance coverage for yourself and your family with Mutual of Omaha.

METLIFE LEGAL PLUS PARENTS

Through MetLife Legal, you can receive legal advice and legal services for a wide range of personal legal matters. The plan covers parents, parents-in-law and grandparents for many of the common legal issues a family faces.

ID WATCHDOG IDENTITY THEFT

ID Watchdog helps you better protect your identity by monitoring your credit and other services.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

Receive confidential and professional counseling on any issue related to personal, family and/or work-related problems. Services are free and available 24 hours a day, seven days a week to faculty, staff and their families — eight consultations per topic, per year.

Retirement benefits

Retirement benefits are an important part of your total benefits package; please reference page 25 for more information.

UnitedHealthcare Resources

UnitedHealthcare and Creighton have teamed up to make it easier for you to learn about the medical plans available and the benefits offered for you and your eligible members. Please visit [whyuhc.com/creighton](https://www.whyuhc.com/creighton) to help make a well-informed decision.

UnitedHealthcare member website and app

You'll have 24/7 access to manage your health plan either by going to [myuhc.com](https://www.myuhc.com) and registering an account or by downloading the UnitedHealthcare app.

- Find network providers and cost estimates.
- See what's covered.
- View claims and account balances.
- Print your ID cards from the member site or generate a digital health ID card from the app.

Virtual visits

Scan the QR code to access your virtual care options.

Virtual visits allow you to see a medical professional via mobile device or computer at any time and in any location, no appointment needed. When you're sick and need care quickly, a virtual visit is a convenient way to start feeling better faster. An estimated 25% of ER visits could be treated with a virtual visit, saving you time and money.

To prepare for your virtual visit all you need is your health plan ID card, credit card and a pharmacy location. Go to [myuhc.com](https://www.myuhc.com) or the UnitedHealthcare app to get started.

USE VIRTUAL VISITS FOR THESE MINOR MEDICAL NEEDS:

- Bladder/urinary tract infection
- Fever, cold/flu, sore throat, bronchitis
- Pinkeye, rash
- Sinus problems
- Stomachache

VIRTUAL THERAPY

Within the UnitedHealthcare app, select Find Care, then Virtual Care. Next, under the Behavioral Health Care listing, click on Get Started and you can call a provider to set up an appointment. You can also call the telephone number on your health plan ID card.

What's important to know about medical insurance?

Evaluate your medical options and choose what is best for you and your family.
See the previous page for more information about UnitedHealthcare's resources and member website.

THINGS TO KNOW

What comes out of my pay?

Annual premium: The annual cost to purchase medical coverage is spread across the year, so you pay a portion of it each pay period on a pre-tax basis. Annual premiums differ based upon the plan you elect and the number of dependents you cover.

What will I pay when I begin receiving medical care?

Annual deductible: You won't pay for in-network preventive care covered under health care reform, such as your annual wellness visit. Generally, for all other covered care, including visits to the doctor, you'll pay the amount of your annual deductible before the plan starts to pay.

What's the most I'd have to pay out of my own pocket?

Out-of-pocket maximum: This is the most you'd pay for covered medical services in a calendar year. Think of it as your financial safety net. Once you meet it, the plan pays the full cost of additional covered care.

What is the difference between embedded versus nonembedded deductible?

Plan 1 and Plan 2 with Creighton offer what's known as an embedded deductible. Embedded benefits have individual and family deductible amounts. When an individual in a family meets the individual deductible, coinsurance applies. When the family deductible amount is met, the rest of the family will receive benefits.

The High Deductible Health Plan (HDHP) offers what's known as a nonembedded deductible. Nonembedded benefits are the HDHP standard. Nonembedded benefits have single coverage and family coverage deductibles. Single and family deductibles are separate, and no individual in the family has satisfied a deductible until the entire family amount has been satisfied. The same holds true for out-of-pocket maximums.

**Working spouse surcharge*

Employees whose working spouses have access to affordable health care that meets the Affordable Care Act (ACA) minimum guidelines through another employer are subject to a \$120 monthly surcharge if they choose to have their spouse enrolled in the Creighton medical plan. The process of managing it is now built into the Open Enrollment experience in the ADP Benefits System. In the section regarding medical benefits, you will see a question related to a spouse. Once you answer the questionnaire and confirm your elections, the process is complete.

WORKING SPOUSE SURCHARGE FAQs

What is the working spousal surcharge?

It is a surcharge for employee's spouses who have access to medical coverage by another employer or access to other offerings of medical insurance coverage but choose to enroll in Creighton's medical plan. The cost is \$120 per month or \$1,440 per year.

How do I know if the working spouse surcharge will affect my spouse?

The surcharge affects any employee's spouse who has access to medical coverage by another employer or access to other offerings of medical insurance coverage, but instead chooses to enroll in Creighton's medical plan. This does not apply to an employee's spouse who is not currently working or cannot receive benefits in any other way.

How do I prove my spouse cannot receive benefits from their employer or doesn't have an employer to receive benefits from?

This will be completed during the enrollment process for a new hire, life event or Open Enrollment. You will see a question related to a spouse while electing your medical plan.

If my spouse's benefits change, will they be able to enroll in Creighton's benefits midyear?

Yes. If your spouse has changes to their benefits during the year, you will be allowed to add your spouse to Creighton's medical plan benefits and will begin to incur the working spousal surcharge for that designated month and each month thereafter.

Do I need to complete the questionnaire if my spouse will not be covered by Creighton?

No. The questionnaire will only be visible if a spouse is added to the medical benefit in the ADP Benefits System.

What if both my spouse and I work at Creighton?

The working spousal surcharge only requires working spouses who have access to medical coverage by another employer or access to other offerings of medical insurance coverage to pay the surcharge. Families with both spouses working at Creighton will be unaffected by this surcharge.

Do other Jesuit universities require a working spousal surcharge?

Yes. Several other Jesuit universities have implemented a working spousal surcharge or are considering it for the future.

WHICH DENTAL PLAN IS RIGHT FOR ME?

Creighton Preventive

The Preventive dental plan offers the most basic care, covering 100% of your cleanings. If a dental problem arises, while the plan won't pay, using a MetLife network provider will get you discounts on the services needed.

Creighton Basic

The Basic dental plan offers coverage that works for the majority of participants. Included are your routine cleanings and exams, and help paying for the basic and major restorative procedures such as fillings, extractions, crowns and bridges. This plan promotes good dental hygiene through preventive care and helps cover dental services you may need at a low cost.

Creighton Basic Plus Ortho

The Basic Plus Ortho dental plan offers the same comprehensive coverage as Basic, but also covers orthodontia. The lifetime orthodontia benefit is \$3,000 per person.

What are my vision plan options?

Vision exams are as important to your health as your dental cleanings or annual wellness exam with your physician. A comprehensive eye exam can help lead to early detection of diabetes or hypertension. That's why Creighton's vision coverage through VSP provides an eye exam annually along with other benefits to help ensure you see clearly. For more information, call **800.877.7195** or visit **[vsp.com](https://www.vsp.com)** to review benefit information, find a VSP network doctor, and print your ID card.

HSA AND MEDICARE

Employees over age 65 are eligible to open and contribute to an HSA as long as they are not enrolled in benefits under Medicare (Part A) and are covered by a qualified High Deductible Health Plan (HDHP). Once enrolled in Medicare, you are still eligible to be covered by the qualified HDHP, but you are no longer eligible for HSA contributions.

After the account holder turns 65 or enrolls in Medicare, the tax penalty for non-eligible expenses does not apply, so your HSA can be used to save for retirement and other non-medical expenses, but distributions are still treated as gross income for tax purposes.

*Add \$1,000 if age 55 or older.
