The term does not include any person who:

Covered Service means a dental service used to treat Your or Your Dependent's dental condition which is:

- prescribed or performed by a Dentist while such person is covered for Dental Benefits;
- Dentally Necessary to treat the condition; and
- described in the section entitled BENEFITS AT A GLANCE or DENTAL BENEFITS sections of this Summary Plan Description.

Dental Hygienist means a person trained to:

- remove calcareous deposits and stains from the surfaces of teeth; and
- provide information on the prevention of oral disease.

The term does not include:

- the claimant's right to receive payment.

Proof must be provided at the claimant's expense.

DEFINITIONS (continued)

Reasonable and Customary Charge is the lowest of:

- the Dentist's actual charge for the services or supplies (or, if the provider of the service or supplies is not a Dentist, such other provider's actual charge for the services or supplies); or
- the usual charge by the Dentist or other provider of the services or supplies for the same or similar services or supplies; or
- the usual charge of other Dentists or other providers in the same geographic area equal to the 90th percentile of charges as determined by the Claim Administrator based on charge information for the same or similar services or supplies maintained in the Claim Administrator's Reasonable and Customary Charge records (the 'Customary Charge'). Where the Claim Administrator determines that there is inadequate charge information maintained in the Claim Administrator's Reasonable and Customary Charge records for the geographic area in question, the Customary Charge will be determined based on actuarially sound principles.

An example of how the 90th percentile is calculated is to assume one hundred (100) charges for the same service are contained in the Claim Administrator's Reasonable and Customary charge records. These one hundred (100) charges would be sorted from lowest to highest charged amount and numbered 1 through 100. The 90th percentile of charges is the charge that is greater than or equal to the charged numbered 90th.

Signed means any symbol or method executed or adopted by a person with the present intention to authenticate a record, which is on or transmitted by paper or electronic media which is acceptable to the Claim Administrator, and consistent with applicable law.

Spouse means Your lawful spouse.

The term does not include any person who:

- lives outside of the United States or Canada; or
- is covered under This Plan as an employee.

This Plan means the self-funded Dental Benefits plan of the Employer.

Written or **Writing** means a record which is on or transmitted by paper or electronic media which is acceptable to the Claim Administrator and consistent with applicable law.

ELIGIBILITY PROVISIONS: COVERAGE FOR YOUR DEPENDENTS (continued)

During any annual enrollment period as determined by the Employer, You may enroll for Dependent coverage for which You are eligible or choose a different option than the one for which Your Dependents are currently enrolled. If You are not currently enrolled for Dependent coverage but You enroll during an enrollment period, the Dependent coverage takes effect one year after Your request. Otherwise the changes to Your Dependent coverage made during an enrollment period will take effect on the first day of the year following the enrollment period, if You are Actively at Work on that date.

If You are not Actively at Work on the date the coverage would otherwise take effect, coverage will take effect on the date You resume Active Work.

Enrollment Due to a Qualifying Event

You may enroll for Dependent coverage for which You are eligible, or change the amount of Your Dependent coverage, between annual enrollment periods only if You have a Qualifying Event.

If You have a Qualifying Event, You will have 31 days from the date of that change to make a request. This request must be consistent with the nature of the Qualifying Event. The coverage enrolled for, or changes to Your coverage made as a result of a Qualifying Event, will take effect on the first day of the month following the date of Your request, if You are Actively at Work on that date.

 2. termination of employer contributions for the other group coverage;
 3. COBRA Continuation of the other group coverage was exhausted; or
- a judgment, decree or order resulting from a divorce, legal separation, annulment or change in legal custody that requires either:
 - You to provide health coverage for Your child or dependent foster child; or
 - Your spouse, former spouse or other individual to provide coverage for Your child or foster child if that other person does in fact provide that coverage.

Once You have enrolled one Child for Dependent coverage, each succeeding Child will automatically be covered for such coverage on the date the Child qualifies as a Dependent.

8. the last day of the calendar month in which You retire in accordance with the Employer's retirement plan.

In certain cases, coverage may be continued as stated in the section entitled CONTINUATION OF COVERAGE.

The Plan will provide written notice to You that Your coverage has ended if You knowingly give MetLife false material information including, but not limited to, false information relating to another person's eligibility or status

CONTINUATION OF COVERAGE

FOR MENTALLY OR PHYSICALLY HANDICAPPED CHILDREN

Coverage for a Dependent Child may be continued past the age limit if the child is incapable of self-sustaining employment because of a mental or physical handicap as defined by applicable law. Proof of such handicap must be sent to This Plan within 31 days after the date the Child attains the age limit and at reasonable intervals after such date.

Subject to the DATE COVERAGE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: COVERAGE FOR YOUR DEPENDENTS, coverage will continue while such Child:

- remains incapable of self-sustaining employment because of a mental or physical handicap; and
- continues to qualify as a Child, except for the age limit.

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify under the Family and Medical Leave Act of 1993 (FMLA) for continuation of coverage. Please contact the Employer for information regarding the FMLA.

COBRA CONTINUATION FOR DENTAL BENEFITS

If Dental Benefits for You or a Dependent ends, You or Your Dependent may qualify for continuation of such coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended (COBRA). Please refer to the COBRA section of this Summary Plan Description entitled NOTICE OF YOUR RIGHT AND YOUR DEPENDENT'S RIGHT TO CONTINUE DENTAL BENEFITS or contact the Employer for information regarding continuation of coverage under COBRA.

AT THE EMPLOYER'S OPTION

The Employer has elected to continue coverage by paying contributions for his employees who cease Active Work in an eligible class for any of the reasons specified below. If Your coverage is continued, coverage for Your Dependents may also be continued.

Coverage will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to layoff up to 3 months;
2. for the period You cease Active Work in an eligible class due to any other Employer approved leave of absence, up to 12 months;
3. for the period You cease Active Work in an eligible class due to injury or sickness up to 12 months.

At the end of any of the continuation periods listed above, Your coverage will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be covered under This Plan;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your coverage will end in accordance with the DATE YOUR COVERAGE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: COVERAGE FOR YOU.

If Your coverage ends, Your Dependents' coverage will also end in accordance with the DATE YOUR COVERAGE FOR YOUR DEPENDENTS ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: COVERAGE FOR YOUR DEPENDENTS.

DENTAL BENEFITS

If You or a Dependent incur a charge for a Covered Service, Proof of such service must be sent to the Claim Administrator. When the Claim Administrator receives such Proof, the Claim Administrator will review the claim and if the Claim Administrator approves it, This Plan will pay the Dental Benefits in effect on the date that service was completed.

These Dental Benefits give You access to Dentists through the MetLife Preferred Dentist Program (PDP). Dentists participating in the PDP have agreed to limit their charge for a dental service to the Maximum Allowed Charge for such service. Under the PDP, This Plan pays benefits for Covered Services performed by either In-Network Dentists or Out-of-Network Dentists. However, You may be able to reduce Your out-of-pocket costs by using an In-Network Dentist because Out-of-Network Dentists have not entered into an agreement with MetLife to limit their charges. You are always free to receive services from any Dentist. You do not need any authorization from This Plan to choose a Dentist.

The PDP does not provide dental services. Whether or not benefits are available for a particular service, does not mean You should or should not receive the service. You and Your Dentist have the right and are responsible at all times for choosing the course of treatment and services to be performed. After services have been performed, the Claim Administrator will determine the extent to which benefits, if any, are payable.

When requesting a Covered Service from an In-Network Dentist, it is recommended that You:

- identify Yourself as covered in the Preferred Dentist Program; and
- confirm that the Dentist is currently an In-Network Dentist at the time that the Covered Service is performed.

The amount of the benefit will not be affected by whether or not You identify Yourself as a member in the Preferred Dentist Program.

You can obtain a customized listing of MetLife's In-Network Dentists either by calling 1-800-942-PDP1 (7371) or by visiting MetLife's website at www.metlife.com/dental.

BENEFIT AMOUNTS

This Plan will pay benefits in an amount equal to the Covered Percentage for charges incurred by You or a Dependent for a Covered Service as shown in the section entitled BENEFITS AT A GLANCE, subject to the conditions set forth in this Summary Plan Description.

In-Network

If a Covered Service is performed by an In-Network Dentist, This Plan will base the benefit on the Covered Percentage of the Maximum Allowed Charge.

If an In-Network Dentist performs a Covered Service, You will be responsible for paying any part of the Maximum Allowed Charge for which This Plan does pay benefits.

Out-of-Network

If a Covered Service is performed by an Out-of-Network Dentist, This Plan will base the benefit on the Covered Percentage of the Reasonable and Customary Charge.

Out-of-Network Dentists may charge You more than the Reasonable and Customary Charge. If an Out-of-Network Dentist performs a Covered Service, You will be responsible for paying:

- any part of the Reasonable and Customary Charge for which This Plan does not pay benefits; and
- any amount in excess of the Reasonable and Customary Charge charged by the Out-of-Network Dentist.

DENTAL BENEFITS (continued)

Maximum Benefit Amounts

The section entitled BENEFITS AT A GLANCE sets forth Maximum Benefit Amounts This Plan will pay for Covered Services received In-Network and Out-of-Network. This Plan will never pay more than the greater of the In-Network Maximum Benefit Amount or the Out-of-Network Maximum Benefit Amount.

Pretreatment Estimate of Benefits

If a planned dental service is expected to cost more than \$300, You have the option of requesting a pretreatment estimate of benefits. The Dentist should submit a claim detailing the services to be performed and the amount to be charged. After the Claim Administrator receives this information, the Claim Administrator will provide You with an estimate of the Dental Benefits available for the service. The estimate is not a guarantee of the amount This Plan will pay. Under the Alternate Benefit provision, benefits may be based on the cost of a service other than the service that You choose. You are required to submit Proof on or after the date the dental service is completed in order for This Plan to pay a benefit for such service.

The pretreatment estimate of benefits is only an estimate of benefits available for proposed dental services. You are not required to obtain a pretreatment estimate of benefits. As always, You or Your Dependent and the Dentist are responsible for choosing the services to be performed.

DENTAL BENEFITS: COORDINATION OF BENEFITS

When You or a Dependent incur charges for Covered Services, there may be other Plans, as defined below, that also provide benefits for those same charges. In that case, This Plan may reduce what This Plan pays based on what the other Plans pay. This Coordination of Benefits section explains how and when This Plan does this.

DEFINITIONS

In this section, the terms set forth below have the following meanings:

Allowable Expense means a necessary dental expense for which both of the following are true:

- a covered person must pay it; and
- it is at least partly covered by one or more of the Plans that provide benefits to the covered person.

If a Plan provides fixed benefits for specified events or conditions (instead of benefits based on expenses incurred), such benefits are Allowable Expenses.

If a Plan provides benefits in the form of services, This Plan treats the reasonable cash value of each service performed as both an Allowable Expense and a benefit paid by that Plan.

The term does not include:

- expenses for services performed because of a Job-Related Injury or Sickness;
- any amount of expenses in excess of the higher reasonable and customary fee for a service, if two or more Plans compute their benefit payments on the basis of reasonable and customary fees;
- any amount of expenses in excess of the higher negotiated fee for a service, if two or more Plans compute their benefit payments on the basis of negotiated fees; and
- any amount of benefits that a Primary Plan does not pay because the covered person fails to comply with the Primary Plan's managed care or utilization review provisions, these include provisions requiring:
 - second surgical opinions;
 - pre-certification of services;
 - use of providers in a Plan's network of providers; or
 - any other similar provisions.

This Plan won't use this provision to refuse to pay benefits because an HMO member has elected to have dental services provided by a non-HMO provider and the HMO's contract does not require the HMO to pay for providing those services.

Claim Determination Period means a period that starts on any January 1 and ends on the next December 31. A Claim Determination Period for any covered person will not include periods of time during which that person is not covered under This Plan.

Custodial Parent means a Parent awarded custody, other than joint custody, by a court decree. In the absence of a court decree, it means the Parent with whom the child resides more than half of the Year without regard to any temporary visitation.

HMO means a Health Maintenance Organization or Dental Health Maintenance Organization.

Job-Related Injury or Sickness means any injury or sickness:

- for which You are entitled to benefits under a workers' compensation or similar law, or any arrangement that provides for similar compensation; or
- arising out of employment for wage or profit.

DENTAL BENEFITS: COORDINATION OF BENEFITS (continued)

Parent means a person who covers a child as a dependent under a Plan.

Plan means any of the following, if it provides benefits or services for an Allowable Expense:

- a group insurance plan;
- an HMO;
- a blanket plan;
- uninsured arrangements of group or group type coverage;
- a group practice plan;
- a group service plan;
- a group prepayment plan;
- any other plan that covers people as a group;
- motor vehicle No Fault coverage, if the coverage is required by law; and
- any other coverage required or provided by any law or any governmental program, except Medicaid.

The term does not include any of the following:

- individual or family insurance or subscriber contracts;
- individual or family coverage through closed panel Plans or other prepayment, group practice or individual practice Plans;
- hospital indemnity coverage;
- a school blanket plan that only provides accident-type coverage on a 24 hour basis, or a "to and from school basis," to students in a grammar school, high school or college;
- disability income protection coverage;
- accident only coverage;
- specified disease or specified accident coverage;
- nursing home or long term care coverage; or
- any government program or coverage if, by state or Federal law, its benefits are excess to those of any private insurance plan or other non-government plan.

The provisions of This Plan, which limit benefits based on benefits or services provided under:

- Government Plans; or
- Plans which the Employer (or an affiliate) contributes to or sponsors;

will not be affected by these Coordination of Benefits provisions.

Each policy, contract or other arrangement for benefits is a separate Plan. If part of a Plan reserves the right to reduce what it pays based on benefits or services provided by other Plans, that part will be treated separately from any parts which do not.

This Plan means the Dental Benefits described in this Summary Plan Description, except for any provisions in this Summary Plan Description that limit coverage based on benefits for services provided under government plans, or plans which the Employer (or an affiliate) contributes to or sponsors.

Primary Plan means a Plan that pays its benefits first under the "Rules to Decide Which Plan Is Primary" section. A Primary Plan pays benefits as if the Secondary Plans do not exist.

DENTAL BENEFITS: COORDINATION OF BENEFITS (continued)

Secondary Plan means a Plan that is not a Primary Plan. A Secondary Plan may reduce its benefits by amounts payable by the Primary Plan. If there are more than two Plans that provide coverage, a Plan may be Primary to some plans, and Secondary to others.

RULES TO DECIDE WHICH PLAN IS PRIMARY

When more than one Plan covers the person for whom Allowable Expenses were incurred, the Claim Administrator determines which plan is primary by applying the rules in this section.

When there is a basis for claim under This Plan and another Plan, This Plan is Secondary unless:

- the other Plan has rules coordinating its benefits with those of This Plan; and
- this Plan is primary under This Plan's rules.

The first rule below, which will allow the Claim Administrator to determine which Plan is Primary, is the rule that the Claim Administrator will use.

Dependent or Non-Dependent: A Plan that covers a person other than as a dependent (for example, as an employee, member, subscriber, or retiree) is Primary and shall pay its benefits before a Plan that covers the person as a dependent; except that if the person is a Medicare beneficiary and, as a result of federal law or regulations, Medicare is:

- Secondary to the Plan covering the person as a dependent; and
- Primary to the Plan covering the person as other than a dependent (e.g., a retired employee);

then the order of benefits between the two Plans is reversed and the Plan that covers the person as a dependent is Primary.

Child Covered Under More Than One Plan – Court Decree: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, and the specific terms of a court decree state that one of the Parents must provide health coverage or pay for the Child's health care expenses, that Parent's Plan is Primary, if the Plan has actual knowledge of those terms. This rule applies to Claim Determination Periods that start after the Plan is given notice of the court decree.

Child Covered Under More Than One Plan – The Birthday Rule: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, the Primary Plan is the Plan of the Parent whose birthday falls earlier in the Year if:

- the Parents are married; or
- the Parents are not separated (whether or not they have ever married); or
- a court decree awards joint custody without specifying which Parent must provide health coverage.

If both Parents have the same birthday, the Plan that covered either of the Parents longer is the Primary Plan.

However, if the other Plan does not have this rule, but instead has a rule based on the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

Child Covered Under More than One Plan – Custodial Parent: When This Plan and another Plan cover the same Child as the Dependent of two or more Parents, if the Parents are not married, or are separated (whether or not they ever married), or are divorced, the Primary Plan is:

- the Plan of the Custodial Parent; then
- the Plan of the spouse of the Custodial Parent; then
- the Plan of the non-custodial Parent; and then

DENTAL BENEFITS: COORDINATION OF BENEFITS (continued)

- the Plan of the spouse of the non-custodial Parent.

Active or Inactive Employee: A Plan that covers a person as an employee who is neither laid off nor retired is Primary to a Plan that covers the person as a laid-off or retired employee (or as that person's Dependent). If the other Plan does not have this rule and, if as a result, the Plans do not agree on the order of benefits, this rule is ignored.

Continuation Coverage: The Plan that covers a person as an active employee, member or subscriber (or as that employee's Dependent) is Primary to a Plan that covers that person under a right of continuation pursuant to federal law (e.g., COBRA) or state law. If the Plan that covers the person has not adopted this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule shall not apply.

Longer/Shorter Time Covered: If none of the above rules determine which Plan is Primary, the Plan that has covered the person for the longer time shall be Primary to a Plan that has covered the person for a shorter time.

No Rules Apply: If none of the above rules determine which Plan is Primary, the Allowable Expenses shall be shared equally between all the Plans. In no event will This Plan pay more than it would if it were Primary.

EFFECT ON BENEFITS OF THIS PLAN

If This Plan is Secondary, when the total Allowable Expenses incurred by a covered person in any Claim Determination Period are less than the sum of:

- the benefits that would be payable under This Plan without applying this Coordination of Benefits provision; and
- the benefits that would be payable under all other Plans without applying Coordination of Benefits or similar provisions;

then This Plan will reduce the benefits that would otherwise be payable under This Plan. The sum of these reduced benefits, plus all benefits payable for such Allowable Expenses under all other Plans, will not exceed the total of the Allowable Expenses. Benefits payable under all other Plans include all benefits that would be payable if the proper claims had been made on time.

RIGHT TO RECEIVE AND RELEASE NEEDED INFORMATION

The Claim Administrator needs certain information to apply the Coordination of Benefits rules. The Claim Administrator has the right to decide which facts The Claim Administrator needs. The Claim Administrator may get facts from or give them to any other organization or person. The Claim Administrator does not need to tell, or get the consent of, any person or organization to do this. To obtain all benefits available, a covered person who incurs Allowable Expenses should file a claim under each Plan which covers the person. Each person claiming benefits under This Plan must give the Claim Administrator any facts This Plan needs to pay the claim.

FACILITY OF PAYMENT

A payment made under another Plan may include an amount which should have been paid under This Plan. If it does, This Plan may pay that amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan. This Plan will not have to pay that amount again. The term "payment made" includes benefits provided in the form of services, in which case This Plan may pay the reasonable cash value of the benefits provided in the form of services.

DENTAL BENEFITS: COORDINATION OF BENEFITS (continued)

RIGHT OF RECOVERY

If the amount This Plan pays is more than This Plan should have paid under this Coordination of Benefits provision, This Plan may recover the excess from one or more of:

- the person This Plan has paid or for whom This Plan has paid;
- insurance companies; or
- other organizations.

The amount of the payment includes the reasonable cash value of any benefits provided in the form of services.

GENERAL PROVISIONS

Assignment

Upon receipt of a Covered Service, You may assign Dental Benefits to the Dentist providing such service.

Dental Benefits: Who This Plan Will Pay

If You assign payment of Dental Benefits to Your or Your Dependent's Dentist, This Plan will pay benefits directly to the Dentist. Otherwise, This Plan will pay Dental Benefits to You.

Misstatement of Age

If Your or Your Dependent's age is misstated, the correct age will be used to determine if coverage is in effect and, as appropriate, This Plan will adjust the benefits and/or contributions.

Conformity with Law

If the terms and provisions of this Summary Plan Description do not conform to any applicable law, this Summary Plan Description shall be interpreted to so conform.

Overpayments

Recovery of Dental Benefit Overpayments

This Plan has the right to recover any amount that the Claim Administrator determines to be an overpayment, whether for services received by You or Your Dependents.

An overpayment occurs if the Claim Administrator determines that:

- the total amount paid by This Plan on a claim for Dental Benefits is more than the total of the benefits due to You under this Summary Plan Description; or
- payment This Plan made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse This Plan.

How This Plan Recovers Overpayments

This Plan may recover the overpayment from You by:

- stopping or reducing any future benefits payable for Dental Benefits;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

This Plan may recover such overpayment in accordance with that agreement.

If the overpayment results from This Plan having made a payment to You that should have been made under another group plan, This Plan may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

NOTICE OF YOUR RIGHT AND YOUR DEPENDENTS' RIGHT TO CONTINUE DENTAL BENEFITS

When Your employment terminates for any reason other than Your gross misconduct, or if Your hours worked are reduced so that Your coverage terminates, You and Your covered Dependents may continue coverage under This Plan for a period of up to 18 months. In addition, if You should die, become divorced or legally separated, or become eligible for Medicare, Your covered Dependents may continue coverage under This Plan for up to 36 months. Also, Your covered children may continue coverage under This Plan for up to 36 months after they no longer qualify as covered Dependents under the terms of This Plan.

COBRA coverage may be extended if it is determined under the terms of the Social Security Act that You or Your covered Dependent is disabled within 60 days after Your termination of employment or reduction of hours. You and Your covered Dependents may continue Your Dental Coverage under This Plan for an additional 11 months after the expiration of the 18 month period for termination of employment or reduction in hours. During the additional 11 months of coverage, Your cost for that coverage will be approximately 50% higher than it was during the preceding 18 months.

Coverage may also be extended for an additional 18 months if, while receiving 18 months of COBRA coverage, You die, become eligible for Medicare Part A and/or Part B, get divorced or legally separated from the Spouse receiving COBRA, or Your Dependent Child is no longer eligible as a Dependent Child under This Plan. Extension of coverage for the additional 18 months only is available if the second event would have caused Your Dependent to lose coverage under This Plan if the first event not occurred and if proper notice is given to This Plan.

During the continuation period, a Child of Yours that is (1) born; (2) adopted by You; or (3) placed with You for adoption, will be treated as if the Child were a covered Dependent at the time coverage was lost due to an event described above.

This continuation will terminate on the earliest of:

1. the end of the 18, 29 or 36 month continuation period, as the case may be;
2. the date of expiration of the last period for which the required payment was made;
3. the date, after a covered person elects to continue coverage, that the covered person first becomes covered under another group health plan, as long as the new plan does not contain any exclusion or limitation with respect to any preexisting condition on the covered person;
4. the date This Plan is cancelled.

Notice will be given when You or Your covered Dependents become entitled to continue coverage under This Plan. You, or they, will then have at least 60 days to elect to continue coverage. However, You or Your covered Spouse or Your covered Child must notify the Employer within 60 days in the event You receive a determination of disability under the terms of the Social Security Act, You become divorced or legally separated, or when Your Dependent Child no longer qualifies as a covered Dependent under This Plan.

Any person who elects to continue coverage under This Plan must pay the full cost of that coverage (including both the share You now pay and the share Your Employer now pays), plus any additional amounts permitted by law. Your payments for continued coverage must be made on the first day of each month in advance.

It is Your responsibility to keep the Plan Administrator informed of any changes in the addresses of family members. It is recommended that You keep a copy, for Your records, of any notices You send to the Plan Administrator.

For additional information about Your rights and obligations under This Plan and under federal law, You should review this Summary Plan Description or You may contact Your Plan Administrator for further assistance.

Routine Questions

If there is any question about a claim payment, an explanation may be requested from the Claim Administrator by dialing 1-800-942-0854.

Claim Submission

For claims for Dental Benefits, the claimant must complete the appropriate claim form and submit the required Proof as described below:

Step 1

A claimant may request a claim form, by calling the Claim Administrator at 1-800-942-0854.

Step 2

The Claim Administrator will send a claim form to the claimant and explain how to complete it. The claimant should receive the claim form within 15 days of requesting it.

Step 3

When the claimant receives the claim form the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

If the claimant does not receive a claim form within 15 days, Proof may be sent using any form sufficient to provide the Claim Administrator with the required Proof.

Step 4

The claimant must give the Claim Administrator Proof no later than 90 days after the date of the loss.

If Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such Proof is given as soon as is reasonably possible.

Initial Determination

After You submit a claim for Dental Benefits to the Claim Administrator, the Claim Administrator will review Your claim and notify You of its decision to approve or deny Your claim.

Such notification will be provided to You within a 30 day period from the date You submitted Your claim; except for situations requiring an extension of time of up to 15 days because of matters beyond the control of This Plan. If the Claim Administrator needs such an extension, the Claim Administrator will notify You prior to the expiration of the initial 30 day period, state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because You did not provide sufficient information or filed an incomplete claim, the time from the date of the Claim Administrator's notice requesting further information and an extension until the Claim Administrator receives the requested information does not count toward the time period the Claim Administrator is allowed to notify You as to its claim decision. You will have 45 days to provide the requested information from the date You receive the notice requesting further information from the Claim Administrator.

If the Claim Administrator denies Your claim in whole or in part, the notification of the claims decision will state the reason why Your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because the Claim Administrator did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge.

Appealing the Initial Determination

If the Claim Administrator denies Your claim, You may make two appeals of the initial determination. Upon Your written request, the Claim Administrator will provide You free of charge with copies of documents, records and other information relevant to Your claim. You must submit Your appeal to the Claim Administrator at the address indicated on the claim form within 180 days of receiving the Claim Administrator's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of This Plan
- Reference to the initial decision
- Whether the appeal is the first or second appeal of the initial determination
- An explanation why You are appealing the initial determination

As part of each appeal, You may submit any written comments, documents, records, or other information relating to Your claim.

After the Claim Administrator receives Your written request appealing the initial determination or determination on the first appeal, the Claim Administrator will conduct a full and fair review of Your claim. Deference will not be given to initial denials, and the Claim Administrator's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that You submit relating to Your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review Your appeal will not be the same person as the person who made the initial decision to deny Your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny Your claim. If the initial denial is based in whole or in part on a medical judgment, the Claim Administrator will consult with a health care professional with appropriate training and experience in the field of dentistry involved in the judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

The Claim Administrator will notify You in writing of its final decision within 30 days after the Claim Administrator's receipt of Your written request for review, except that under special circumstances the Claim Administrator may have up to an additional 30 days to provide written notification of the final decision. If such an

extension is required, the Claim Administrator will notify You prior to the expiration of the initial 30 day period, state the reason(s) why such an extension is needed, and state when it will make its determination.

If the Claim Administrator denies the claim on appeal, the Claim Administrator will send You a final written decision that states the reason(s) why the claim You appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that You may request a copy free of charge. Upon written request, the Claim Administrator will provide You free of charge with copies of documents, records and other information relevant to Your claim.

When the claim has been processed, You will be notified of the benefits paid. If any benefits have been denied, You will receive a written explanation.

Urgent Care Claim Submission

A small number of claims for Dental Benefits may be urgent care claims. Urgent care claims for Dental Benefits are claims for reimbursement of dental expenses for services which a Dentist familiar with the dental condition determines would subject the patient to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim. Of course any such claim may always be submitted in accordance with the normal claim procedures. However Your Dentist may also submit such a claim to the Claim Administrator by telephoning the Claim Administrator and informing the Claim Administrator that the claim is an Urgent Care Claim. Urgent Care Claims are processed according to the procedures set out above, however once a claim for urgent care is submitted, the Claim Administrator will notify You of the determination on the claim as soon as possible, but no later than 72 hours after the claim was filed. If You or Your covered Dependent does not provide the Claim Administrator with enough information to decide the claim, the Claim Administrator will notify You within 24 hours after it receives the claim of the further information that is needed. You will have 48 hours to provide the information. If the needed information is provided, the Claim Administrator will then notify You of the claim decision within 48 hours after the Claim Administrator received the information. If the needed information is not provided, the Claim Administrator will notify You or Your covered Dependent of its decision within 120 hours after the claim was received.

If Your urgent care claim is denied but You receive the care, You may appeal the denial using the normal claim procedures. If Your urgent care claim is denied and You do not receive the care, You can request an expedited appeal of Your claim denial by phone or in writing. The Claim Administrator will provide You any necessary information to assist You in Your appeal. The Claim Administrator will then notify You of its decision within 72 hours of Your request in writing. However, the Claim Administrator may notify You by phone within the time frames above and then mail You a written notice.

Discretionary Authority of Plan Administrator, Claim Administrator and Other Plan Fiduciaries

In carrying out their respective responsibilities under This Plan, the Plan Administrator, Claim Administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of This Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of This Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in This Plan, You are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at This Plan Administrator's office and at other specified locations, all Plan documents governing This Plan and a copy of the latest annual report (Form 5500 Series) filed by This Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefit Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of This Plan and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of This Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Continue Group Dental Plan Benefits

Continue Dental Benefits for You, Your Spouse or Your Dependents if there is a loss of coverage under This Plan as a result of a qualifying event. You or Your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing This Plan on the rules governing Your COBRA continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate Your Plan, called "fiduciaries" of This Plan, have a duty to do so prudently and in the interest of You and other Plan participants and beneficiaries.

No one, including Your Employer or any other person, may fire You or otherwise discriminate against You in any way to prevent You from obtaining a welfare benefit or exercising Your rights under ERISA.

Enforce Your Rights

If Your claim for a welfare benefit is denied or ignored in whole or in part, You have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps You can take to enforce the above rights. For instance, if You request a copy of Plan documents or the latest annual report from This Plan and do not receive them within 30 days, You may file suit in a Federal court. In such a case, the court may require the plan Administrator to provide the materials and pay You up to \$110.00 a day until You receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If You have a claim for benefits which is denied or ignored, in whole or in part, You may file suit in a state or Federal court.

In addition, if You disagree with This Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, You may file suit in Federal court.

If it should happen that Plan fiduciaries misuse This Plan's money, or if You are discriminated against for asserting Your rights, You may seek assistance from the U.S. Department of Labor, or You may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If You are successful, the court may order the person You have sued to pay these costs and fees.

If You lose, the court may order You to pay these costs and fees; for example, if it finds Your claim is frivolous.

Assistance with Your Questions

If You have any questions about This Plan, You should contact the Plan Administrator. If You have any questions about this statement or about Your rights under ERISA, or if You need assistance in obtaining documents from the plan Administrator, You should contact the nearest office of the Pension and Welfare Benefits Administration, U.S. Department of Labor, listed in Your telephone directory or the Division of Technical Assistance and Inquiries, Pension and Welfare Benefits Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about Your rights and responsibilities under ERISA by calling the publications hotline of the Pension and Welfare Benefits Administration.

FUTURE OF THE PLAN

It is hoped that This Plan will be continued indefinitely, but Creighton University reserves the right to change or terminate This Plan in the future. Any such action would be taken only after careful consideration.
