Division of Student Life Strategic Plan

Develop

We Develop Students Holistically

- We create learning opportunities to teach students how to contribute to an inclusive community and create meaningful relationships.
- We encourage students to develop a balanced life, caring for themselves in a healthy, holistic and respectful manner.
- We expect students to develop life skills and critical thinking skills while reflecting on their personal and professional formation.
- We encourage students to reflect on their relationship with God in an atmosphere of freedom of inquiry, belief and religious worship and to strive for justice.
- We inspire students to lead with purpose.

Create

We Create and sustain a campus culture, climate, and environment for all community members.

- We promote student involvement and leadership on campus, in our local communities and our world.
- We promote inclusivity and social awareness in programming, services, and actions.
- We encourage students to care for others in a healthy, holistic and respectful manner.
- We are good stewards of the resources entrusted to our care while supporting and maintaining student-centered facilities that enhance campus life and provide space for student engagement.
- We create and maintain a safe and secure environment.

Partner

We Partner in pursuit of academic excellence.

- We partner to create a seamless learning environment.
- We provide services and programs to facilitate a student's transition to and from Creighton.
- We collaborate across campus to support and retain students at Creighton.
- We encourage students to identify and overcome obstacles to their learning.
- We engage our academic partners to develop our students' critical thinking skills and opportunities for discernment.

Encourage

We Encourage lifelong learning and the development of our staff and the division.

- We recruit and select staff with strong character and professional integrity.
- We facilitate staff development and encourage personal and professional growth.
- We support each other and promote collaboration.
- We commit to self awareness and diversity competency.
