

Amendments
to
Compliance Plan for Health Sciences Billing and Patient Services

Approved: June 17, 2008

The back cover of the Plan booklet, introductory text revised to state:

It is a violation of the Plan to attempt, complete or direct another person to perform any of the following activities:

Approved: August 19, 2008

Page 5 of the Plan booklet, Compliance Liaison Committee – School of Medicine, last sentence revised to state:

The Compliance Liaison Committee meets at least quarterly as determined by its members.
