

MASTER OF SCIENCE IN BUSINESS INTELLIGENCE & ANALYTICS (MS-BIA) OUTCOMES

Creighton
UNIVERSITY

Heider
College of Business

Technology touches every aspect of business, and graduates of the MS-BIA program (formerly MS-ITM: Information Technology Management) are prepared to set the pace, bringing a values-centered perspective to the business world. The course of study provides a synergy between technology and management and is designed to meet the demands of the constantly evolving business-technology environment. Students will learn to be responsible leaders who will shape how information technology drives business success.

THE AVERAGE SALARY FOR A 2014 CREIGHTON MS-BIA GRADUATE WAS \$84,500 WITH A SALARY RANGE OF \$54,000 – \$145,000.

MS-BIA graduates find professional career opportunities or are currently employed in a wide variety of areas. Some recent Creighton MS-BIA graduates are employed in the following positions:
