EXPERIENTIAL LEARNING

PAID INTERNSHIPS

You will have access to thousands of paid internship and job opportunities through Handshake, as there are more opportunities available to Creighton students than students to fill them.

IJAY PRACTICUM

Take advantage of a two-semester practicum course where students run every aspect of the iJay, the only student-run, Apple™ Authorized Campus Store in the world. From inventory management to marketing and financial reporting, students work with a faculty moderator to experience business practice.

LAS VEGAS TRAVEL COURSE

Not your typical business environment, Heider students and faculty visit world-renowned casinos and event venues to learn about their operations. In addition, explore the concerns of residents and government officials regarding the economic and ethical implications of the gaming industry in this rapidly growing desert city.
