<b>CHAPTER:</b> <b>Information Technology</b>	<b>ISSUED:</b> 3/14/12	<b>REV. A</b>	<b>REV. B</b>
<b>POLICY:</b> <b>Change Management Policy</b>	<b>PAGE 1 OF 2</b>		

## **PURPOSE**

This policy is intended to ensure changes to Information Technology (IT) systems are managed in a rational and predictable manner so that staff and customers can plan accordingly.

## **SCOPE**

This policy applies to all production IT resources of Creighton University regardless of who administers the systems or which division of the University they report.

## **POLICY**

Every change to a Creighton production IT system such as: operating systems, computing hardware, networks, and applications is subject to the Change Management Policy and must follow the Change Management Operating Procedures.

A Change Advisory Board (CAB) will meet regularly to review change requests and to ensure that change reviews and communications are being satisfactorily performed.

## **DEFINITIONS**

### **Change**

Any alteration of an existing IT resource. Changes may be classified as minor, standard, or significant.

### **Production IT System**

Any IT system which is relied upon for performing business functions whereby the loss would critically impact the ability for a group to perform their duties.

### **Change Advisory Board**

A group that reviews and approves changes to the IT infrastructure.

## **RESPONSIBILITIES**

**Change Requesters** are responsible for ensuring adherence to this policy and associated procedures when planning and executing changes to production IT resources.

**Change Advisory Board** is responsible for approving or denying all submitted requests for change.

## **ADMINISTRATION AND INTERPRETATIONS**

This policy shall be administered by Information Security. Questions regarding this policy should be directed to the Information Security Officer.
