Creighton University Integrated Biomedical Imaging Facility
Terms of Use Agreement

Director – Dr. Michael G. Nichols
Assistant Director – Dr. Ann M. Cavanaugh

Facility Usage Rates -
• Training - Free
• Assisted Imaging - $40.00/hr
• Unassisted Imaging - $25.00/hr
• Offline Software Analysis - $5.00/hr

Reservations -
• Reservations are to be made at reservations.creighton.edu
• Limit reservations to (one or possibly two) four-hour sessions per day, giving some space and opportunity to other investigators who also need access to these resources.
• Users may be charged if reservation is cancelled with less than 24 hour notice
• Users may be charged for entire reserved time, even if not used
• Time lapse imaging is billed at $25/hr during normal business hours
  o If time lapse occurs at night/on weekend then a flat rate of $50 per night/weekend day
• Users must include the correct fund/org they want billed in the ‘description’ section

Training -
• Initial training will occur in one scheduled session with the Core Manager

Billing -
• Users will receive monthly invoices
• Creighton Users must supply their Fund and Organization numbers prior to any imaging sessions
• Non-Creighton Users invoices are due within 30 days of generation date

Data -
• All data should be saved to your folder under your user name
• All users are responsible for saving their data and transferring from the imaging PC
• All data is subject to removal after 3 months or with notification from the Core Manager

Samples -
• Imaging of any live pathogens and/or animal samples must be approved prior to imaging

Publishing -
• If publishing data collected at the IBIF Core users must include the following:
  This research was partially conducted at the Integrated Biomedical Imaging Facility at Creighton University, Omaha, NE. This facility is supported by the Creighton University School of Medicine and grants GM103427 and GM139762 from the National Institute of General Medical Science (NIGMS), a component of the National Institutes of Health (NIH). The facility was constructed with support from grants from the National Center for Research Resources (RR016469) and the NIGMS (GM103427). This investigation is solely the responsibility of the authors and does not necessarily represent the official views of NIGMS or NIH
