Institutional Research Office

The [Institutional Research Office](#) is the primary resource for university-related data. The Office completes external surveys and questionnaires which relate to national rankings and reports as well as coordinates, analyzes and interprets data from recurring and ad-hoc projects involving Creighton students, faculty and alumni. It provides "snapshots" of relevant findings to Creighton faculty, staff and administrators through the Creighton University Fact Book and a yearly series of Research Bulletins.

Midwest Consortium of Faculty Development Directors

Creighton is a member of the Midwest Consortium of Faculty Development Directors along with representatives from the College of Saint Mary, Metropolitan Community College, Nebraska Methodist College, University of Nebraska at Omaha, University of Nebraska Medical Center and Iowa Western Community College.
