Health Science Students **Due Date determined by Program/School**

Students Enrolled in: Dental, EMS, Medical, Nursing, Pharmacy & Allied Health

- **Measles, Mumps, & Rubella (MMR)**
  - 2 doses MMR vaccine given after the 1st birthday and at least 30 days apart are required
  - OR
    - Positive blood tests showing immunity for Measles, Mumps and Rubella.
      (History of illness does NOT meet requirement)

- **Tuberculosis Screening**
  - Initial 2-step screening
    - 2 separate PPD skin tests given and read at least 1 week apart.
    - 2 tests in a 12 month period also acceptable.
    - 1 Annual PPD screening thereafter

  **Students with a history of a positive skin test:**
  - Chest x-ray done in US in the past 12 months
  - Annual Provider Review
  - Annual QuantiFERON Gold blood testing is preferable

- **Annual Influenza Vaccine**
  - This is due before December 1 each year

- **Meningitis Vaccine (IF LIVING ON CAMPUS)**
  - 1 dose Meningitis vaccine given after 16 years of age. Applies to ages 21 and under due before moving into resident halls.

- **DPT/Td/Tdap Vaccine**
  - 3 dose series. 1 dose must be a Tdap vaccine given after licensure in 2005
  - Td boosters every 10 years thereafter

- **Polio**
  - No longer a requirement as of 1-1-16.

- **Hepatitis B**
  - 3-dose series AND a positive blood test showing immunity
    (Hepatitis B surface antibody test).
    - A positive blood test alone meets requirement.

- **Varicella (Chicken Pox)**
  - 2 doses Varicella vaccine.
    - OR
    - Positive blood test showing immunity (Varicella IgG).
    - History of illness does NOT meet requirement.

Immunizations will be submitted using the data form provided by individual schools. Additional vaccine information may be faxed to Student Health Services at 402-280-1859 or scanned and emailed to immunizations@creighton.edu.
