

<i>Guideline:</i> Health Fair Participation	<i>Issued:</i> 11/26/2007	<i>Revised:</i>	<i>Page 1 of 2</i>
---	-------------------------------------	-----------------	--------------------

Any student or student organization representing Creighton University School of Pharmacy and Health Professions and who is planning to participate in a "health fair" type activity must notify the Associate Dean for Student Affairs in advance of the activity. In order for students to participate, a faculty member (or a non-faculty practitioner approved by the Associate Dean for Student Affairs) must be in attendance during the entire course of the activity.
