## **Medical Education Program Policies**

POLICY: Comparability of Assessment

GOVERNING BODY: Educational Program Committee

APPROVAL DATE: 6/8/2021

REVISED DATE: N/A

LCME ACCREDITATION STANDARD REFERENCE: 8.7 Comparability of Education/Assessment

### **PURPOSE**

This policy outlines the expectations for comparability of assessment across campuses.

### **POLICY**

For required courses, all assessment methods and instruments identified in the syllabus as components of the course grade will be the same on both campuses.

### **PROCEDURE**

The course directors and the blue, green, and gold track directors will be responsible for reviewing and assuring the same assessments are used on each campus.

For gross anatomy lab practical exams, equivalency will be achieved by the anatomy discipline stewards sharing a detailed list of taggable structures and discussing acceptable answers.

### **SCOPE**

All required courses within the Medical Education Program.

### **ADMINISTRATION AND INTERPRETATION**

The Senior Director of Program Assessment and Curriculum Development will be responsible for:

- a. monitoring adherence to the policy
- b. notifying the Educational Policy Committee of non-compliance.

### **AMENDMENT**

This policy may be amended by majority vote of the School of Medicine Medical Education Program Educational Program Committee.
