OTHER NOTES
This plan is an example of Creighton's Accelerated Bachelor's to Master's program and how one might accomplish this path. Please note, each student will have a unique background and set of circumstances that must be considered in their plan.
*You may choose from any of the Magis Common Core: II Understanding Social Sciences courses. However, PSY 201 (requirement for HCB students) also fulfills this Magis Common Core requirement. You will receive only 3 credits but fulfill both requirements with one course: PSY 201.
**Select among ACC 538, ECO 528, ECO 518, ECO 538, FIN 558, MGT 373 and MKT 363. If you also apply the global business class to your major, you must take an additional business elective.
***There are three options for the modern language or cultures requirement:
1. One or two courses in French, German, Italian, Japanese, Russian, Chinese, Arabic or Spanish. Students must complete through the 112 level or above. 112 or higher will complete the requirement.
2. One course in French, German, Italian, Japanese, Russian, Chinese, Arabic or Spanish and one cultures class from the same region. The language must be spoken in the region. One class must be intermediate.
3. Two cultures courses from the same region.
****Heider College of Business students seeking a major outside those eligible to pursue the BMIT endorsement are encouraged to speak with their advisor to identify additional classes that may be required.
*****Number of credits required in addition to passing Praxis test score.
A third business elective is only needed if the Global Business Class is also counted as one of the elective classes within the chosen major (for 18 unit majors).
