

Omaha Restaurant Guide

Creighton
UNIVERSITY

Welcome to Omaha!

We have lovingly prepared this guide because we are lovers of Omaha cuisine.

All of it—the classic Reuben (invented here!), the steaks (Omaha cut, of course!) and the ice cream. *Food and Wine* magazine named Omaha one of America's Next Great Food Cities, and it's no longer a secret.

Since we hope you will be spending the next four years of your life here, we wanted to get you started on your foodie expedition.

Whether you seek sushi, are venturing out for vegetarian or want to treat yourself and your family to a world-class steak, it all begins just a couple of blocks off campus.

Bon appétit!
