Education

Bachelor of Arts in Medical Anthropology

Creighton University, Omaha, Nebraska

Minors: Biology and Public Health

College of Arts and Sciences Dean's Fellow

Honors: Dean's Service Honor Roll (3 semesters)

May 20XX

GPA: 3.XX, *summa cum laude*

Research Experience

Research Assistant

Creighton University, Omaha, Nebraska

August 20XX - Present

Principal Investigator: Dhitinut Ratnapradipa

- Conduct reviews of environmental health and disaster preparedness literature to identify potential relationships
- Draft content for grant proposals through development of evidence-based logic models

Research Assistant

Creighton University, Omaha, Nebraska

January 20XX - May 20XX

Principal Investigator: Pierce Greenberg

- Recoded top 30 evictors in eviction court data set for data analysis by Family Housing Advisory Services
- Collated annual editions of 500 cities' health data sets into unified data sets at the city and census tract levels
- Utilized Stata to explore the relationship between evictions and healthcare insurance coverage

CURAS Grant Summer Undergraduate Research Fellow

Creighton University, Omaha, Nebraska

June 20XX - August 20XX

Research Mentor: Barbara Dilly

- Facilitated unstructured, semi-structured, and focus group interviews with community partners in local food production and food justice initiatives
- Produced an informational video documentary to increase visibility of community partners

Applied Anthropology Student Researcher

Creighton University, Omaha, Nebraska

January 20XX - May 20XX

Research Mentor: Pierce Greenberg

- Observed participants and conducted spatial mapping to uncover patterns of interaction within Omaha Jitterbugs
- Analyzed Omaha Jitterbugs' membership sourcing using GIS to uncover underrepresented demographics within the organization

Research Mentor: Alexander Roedlach

September 20XX - December 20XX

- Administered a needs assessment of Omaha Jitterbugs Nonprofit programming using Group Concept Mapping
- Evaluated Omaha Jitterbugs members' perceptions of programming using qualitative survey methods

Professional Experience

Augmented Reality Intern

Creighton University Department of Cultural and Social Studies, Omaha, Nebraska

January 20XX - May 20XX

- Filmed and edited three-minute interviews with department faculty describing research
- Created and posted augmented reality tags at faculty offices and on department newsreels, enabling students to learn about professors' and students' research

Data Science Lab Intern

Creighton University Department of Cultural and Social Studies, Omaha, Nebraska

February 20XX - April 20XX

- Assisted students in developing proficiency in Stata, GroupWisdom, ArcGIS Online, and ArcMap software
- Guided students in forming effective methods to address their research questions
- Supported supervising professor by reviewing statistical analysis of existing Omaha eviction data
- Developed a webpage to disseminate academic department research findings to the public

Service

Team Member/Water Quality Tester

Institute for Latin American Concern, Santiago, Dominican Republic

May 20XX

- Repaired and replaced worn-out water filters in communities around Santiago
- Interviewed community members to understand their perceptions of safe water treatment and usage
- Collected water samples from communities to determine effectiveness of filters for reducing microbial risk
- Conducted testing on water samples to determine the need for heavy metal and pesticide filtration
- Participated in a week-long immersion experience to understand the impact of poverty and water quality on health

Daycare Volunteer

Lutheran Family Services, Omaha, Nebraska

October 20XX - May 20XX

- Assisted infants with eating, proper hygiene, and naptime preparation over the course of a 4-hour shift
- Provided supervision and care for infants while initiating developmentally appropriate behavioral interventions to manage behavior

Recognition and Achievements

- CURAS Rising Scholar Senior Award, January 20XX
- CURAS Summer Undergraduate Research Fellowship, June-August 20XX
- Department of Cultural and Social Sciences Jerry Clark Award, May 20XX
- Omicron Delta Kappa Honor Society, May 20XX
- Alpha Sigma Nu Honor Society, April 20XX
- Lambda Alpha Anthropology Honor Society, May 20XX
- Eagle Scout Rank, November 20XX
