

All Things Ignatian

The School of Nursing's Commitment

Finding God in All Things

Blessing of the Hands

Students are invited to encounter God's beauty in every patient they come to know.

Women and Men for and with Others

Volunteering in Dominican Republic

As a school of nursing, we serve the members of the global and local communities especially the most vulnerable.

Cura Personalis

A Student's Reflection

"As we were talking, she stunned me when she asked if I would pray with her. I said that I would. The patient really seemed to become calm once I prayed with her. I didn't even speak any words during the prayer, but held her hand and listened."
