Check hours toward graduation total:

Check hours toward 300+ level requirement:

Review GPA and major requirements:

Other needs to consider: Time available, other majors and minors, study-abroad plans, need for summer classes, senior year with practicum

Shared classes provide easy major/minor combinations (JPS, SOC, ANT, PSY, EDU minor, and more)

**Required Social Work Courses for Major:**

- SWK 261: Social Welfare Needs of Vulnerable Populations: Exploring the Helping Role from a Social Work Perspective (Intro to SW) (FA/SP/SU) 3 hrs
- SWK 275: Human Behavior and the Social Environment (Fall/Spring) 4 hrs
- SWK 298: Economics, Policy, & Social Welfare (spring) 3 hrs
- SWK 345: Practice I Social Work with Individuals and Families (Fall) 3 hrs
- SWK 346: Pre-Practicum (Fall concurrently with 345) 1 hr
- SWK 359: Practice II – Social Work with Groups (spring) 3 hrs
- SWK 435: Practice III – Advocacy, Injustice, Oppression, & Ethical Decision-making (fall) 3 hrs
- SWK 460: Field Practicum Seminar 1 (fall) 2 hrs
- SWK 461: Field Practicum I (fall concurrently with SWK 460) 4 hrs
- SWK 480: Field Practicum Seminar 2 (spring) 3 hrs
- SWK 481: Field Practicum 2 (spring concurrently with SWK 480) 4 hrs

**Social Work Electives**

- SWK 289: Self-Care for the Helping Professions (spring) 1 hr
- SWK 299: Addictions: Substances, Processes, and People – 3 hrs (Spring, even # years)
- SWK 371 Special Issues – This course can be repeated when different topics are offered, up to 3 times – 3 hrs
- SWK 375 Working with the Elderly 3 hrs (on demand)
- SWK 376 Family Violence 3 hrs (Spring odd # years)
- SWK 377 Grief, Loss, & Bereavement 3 hrs (Fall, even # years)
- SWK 399 Trauma Care for the Whole Person 3 hrs (Fall, odd # years)

**Required Support Courses:**

- PSY 201: Introduction to Psychology (fall/spring)
- SOC 101: General Sociology (fall/spring)

**Required Research Methods: (choose one from the following)**

- ANT/SWK 491: Applied Research: Needs Assessment and Program Evaluation (fall/spring); (fulfills Magis Core requirements for Doing Social Science, Designated Statistical Reasoning, Designated Technology, and Designated Oral Communication)
  - SOC 312: Research Design for the Social Sciences (fulfills Magis Core requirement for ethics and written com designations)
  - ANT/SOC 316: Qualitative Methods in the Social Sciences (fulfills Magis Core Doing Social Science & designations for oral, written, tech, & ethics)
  - PLS 310 –Political Science Research Methods (fall/spring) (fulfills Magis Core requirement for technology and statistical reasoning)
  - PSY 370: Applying Research Methods and Statistics in Psychology (fulfills Magis Core Doing Social Science and Statistical Reasoning)
- \*\*If you are double-majoring in a course that has other Research Methods/Statistics requirements, these may count for SW as well.

If you are considering graduate school, please check their admission requirements for MSW Advanced Standing. If planning to attend graduate school, we strongly encourage you to consider taking a Statistics class and a BIO class. Encouraged options are:

- BIO 159: Human Biology (fulfills Magis Core requirement for Doing Natural Science and statistical reasoning designation)
- SOC 314: Statistics for the Social Sciences (spring) (fulfills Magis Core requirement designations for technology and statistical reasoning)
