The provided criteria for “dependent children” or “other persons” align with the requirement that family size align with whom the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S tax return at the time of completing the 2024-2025 FAFSA. As a result, the parent should not include any unborn children in the family size. If more space is needed, provide a separate page with the student’s name and ID number at the top.
