# Community Oriented Primary Care (COPC) Summer 2026 Public Health Research

The **Community Oriented Primary Care (COPC) Summer Public Health Research Program** has been funded since 2007 by the National Institutes of Health (NIH) COPC Research Endowment Fund. It focuses on a health disparity research affecting underrepresented and disadvantaged population. The student researcher pioneers a project with a faculty mentor at Creighton University or any institution in the US or overseas who would provide the structure and guidance for the COPC approved project.

## Program Details

**Length: 8 weeks in June to August 2026**  
**Application Date: Feb. 1 to Mar. 30, 2026**  
**Stipend: US\$1,500.00**
