

Creighton University School of Law Areas of Concentration

In order to graduate with an Area of Concentration, please complete the form below and have it signed by the faculty member responsible for the applicable concentration. The form should be submitted during your third year of law school. The requirements regarding Areas of Concentration, and the associated faculty member for each, can be found at the following link: <https://law.creighton.edu/current-students/academics/concentrations>. If you are submitting courses for credit which are not on the approved list shown on the website, you must get specific approval for that course or this form will not be accepted.

Once the requested information is provided below and this form is signed by the appropriate faculty member, please submit to the law school registrar at krisvictor@creighton.edu. Your specific Area of Concentration will be added to your DegreeWorks account so you can track your progress. If you have met the requirements at graduation, you will receive a notation on your transcript regarding your Area of Concentration. You will also receive an Area of Concentration certificate which will be mailed out after graduation. You may complete more than one Area of Concentration but must submit a separate form for each one. This form will not be accepted unless all parts are complete and signed by the appropriate faculty member.
