

## Dental Student Parking for 2023-2024

Dear Dental Students,

As the new CL and Rachel Werner Center for Health Sciences Education and Graves Hall open, dental students will have the option to purchase either the new Health Sciences Student (HSS) decal or the student surface lot decal.

During the business day, the HSS decal will only be valid in lots W6, 98, E99, E78 and E7, but at a discounted rate. From 4 p.m. to 6 a.m. on weeknights and all through the weekend, vehicles with HSS decals may park in any student or employee lot.

The student surface lot decal will be valid in any green student lot across campus — those closest to the School of Dentistry are lots 8, 17 and E98.

You will receive an e-mail soon with more details about parking options, along with links to campus parking maps on the parking website. Please send any questions to [parking@creighton.edu](mailto:parking@creighton.edu).

### Important Dates

**June 26:** All permit purchasing begins through [JayPark](#)

- Decals will be mailed directly to your home address, not to the University.
- Decals are repositionable — if you change vehicles for any reason, temporarily or permanently, peel the decal and transfer it to the new vehicle.
- Order by July 21 to receive the decal prior to coming to campus and display it on the inside of the passenger side of the windshield.

**Aug. 1:** Enforcement begins; permits or decals must be displayed to park on campus property
