

New Health Sciences Student Parking for 2023-2024

Dear Omaha Campus Health Sciences Students,

As the new CL and Rachel Werner Center for Health Sciences Education opens, all School of Medicine, School of Pharmacy and Health Professions, and commuter (nonresidential) College of Nursing students will be able to purchase the **new discounted Health Sciences Student (HSS) decal**.

During the business day, this decal will only be valid in lots W6, 98, E99, E78 and E75.

During the breaks when shuttles are not running, as well as from 4 p.m. to 6 a.m. on weeknights and all through the weekend, vehicles with HSS decals may park in lots 48 and 58, as well as any other student or employee lot.

A shuttle will transport students to and from the Werner Center, lot W6 and lot 98 every 10 minutes throughout the day. Shuttle routes and schedules will be updated on the shuttle services website this summer.

You will receive an e-mail soon with more details about parking options, along with links to campus parking maps on the parking website. Please send any questions to parking@creighton.edu.

Permit Pricing

Health Sciences Student Decal: \$300

Short-term HSS Permits:

- Daily: \$4
- Weekly: \$11
- Monthly: \$45

Important Dates

June 26: All permit purchasing begins through [JayPark](#)

- Decals will be mailed directly to your home address, not to the University.
- Decals are repositionable — if you change vehicles for any reason, temporarily or permanently, peel the decal and transfer it to the new vehicle.
- Order by July 21 to receive the decal prior to coming to campus and display it on the inside of the passenger side of the windshield.

Aug. 1: Enforcement begins; permits or decals must be displayed to park on campus property
