It’s that time ...

**Benefits open enrollment is just around the corner.** Creighton is committed to providing a comprehensive benefits program that supports the overall well-being of employees, their families and our community.

Creighton recognizes the importance of fostering a culture of health and well-being and is committed to sponsoring comprehensive and competitive benefit offerings.

Creighton is absorbing almost all of the cost increase which is well above what was budgeted, understanding the immediate and prevalent financial burden the pandemic continues to have on our employees. Normally, as costs increase each year, we share equally in that increase to maintain our 80/20 cost share target. However, we have determined the University will absorb more in an effort to offset the cost impact to our employees. Our cost share strategy ensures the University maintains our competitive advantage from a total rewards perspective in our efforts to retain and attract highly qualified faculty and staff. Depending upon the level of coverage selected for 2023, our employees will see a maximum monthly increase of $20.70 for family medical to a minimum increase of $2.14 for employee only medical.

Health care costs continue to rise and are projected to increase an additional double-digit increase in the coming year. The rising cost of health insurance is a concern for all of us. Every action we take to lower our personal medical and prescription spend and improve our overall health and well-being will benefit us all as we work to maintain a robust and competitive benefits package. Please take time to read this guide and make informed decisions about your elections for the 2023 plan year. What do I need to do?

☐ Review the Open Enrollment website at hr.creighton.edu/benefits. Learn more about the benefit offerings for 2023 as well as additional benefits and services provided by Creighton.

☐ Some 2022 plan elections—like medical, dental and vision—will roll over automatically. If you want to change plans or need to change the dependents who are covered under your plan, now is the time!*

☐ If you contributed to an HSA in 2022, your elections will roll over. If you want to change or increase what goes into your HSA in 2023, log on to my.creighton.edu to enter the new amount.

☐ Those who elect to participate in the CCAP plan (High Deductible Health Plan) can now set aside more money into their Health Savings Account (HSA).
  • Employee-Only Coverage can set aside $3,850
  • Family Coverage can set aside $7,750
  • You can add an additional $1,000 if you are 55 or older

☐ Answer the Working Spouse Questionnaire in the ADP Benefits System if you are adding your spouse to the medical plan for the 2023 plan year. See page 9.

☐ Current Flexible Spending Accounts (FSA) elections will not roll over for the 2023 plan year. Therefore if you want money in a Medical, Dependent Care (for child or elder care) or Limited Purpose (for CCAP participant’s dental and vision expenses) FSA in 2023, you MUST make an election now. 2023 IRS limits are $2,850 for the Medical and Limited Purpose FSAs. $5,000 is the limit for the Dependent Care FSA. See page 12.

☐ Please review the Voluntary Benefit offerings and determine if any of them are right for you.

☐ Review your beneficiaries. Having both a primary and contingent beneficiary is best. Besides life insurance, check to make sure your retirement plan designations are also up to date at Principal and/or TIAA.

☐ Review your retirement account to make sure you are on track for meeting your retirement savings goals.

☐ Review your first 2023 pay stub in myHR in January to ensure your benefit elections are correct and confirm the correct premiums are being withheld.

☐ Stay informed throughout the year by engaging in webinars and educational opportunities offered by our vendor partners, reading Creighton Today and watching your email for periodic communications from the benefits team.

*ADP Dependent Verification Service Center – All newly added family members will be asked to submit documentation as part of the University’s dependent verification process. In the weeks following Open Enrollment, requests for verification will be mailed from the Dependent Verification Center and will include instructions detailing the required documents and your options for submitting them. The documents verifying your relationship must be submitted by the deadline shown in the letter to ensure your dependent’s continued coverage.

### THINGS TO KNOW

**What comes out of my pay?**

**Annual Premium** — The annual cost to purchase medical coverage is spread across the year, so you pay a portion of it each pay period on a pre-tax basis. Annual premiums differ based upon the plan you elect and the number of dependents you cover.

**What will I pay when I begin receiving medical care?**

**Annual Deductible** — You won’t pay for in-network preventive care covered under health care reform, such as your annual wellness visit. Generally, for all other covered care, including visits to the doctor, you’ll pay the amount of your annual deductible before the plan starts to pay.

**What’s the most I’d have to pay out of my own pocket?**

**Out-of-Pocket Maximum** — This is the most you’d pay for covered medical services in a calendar year. Think of it as your financial safety net. Once you meet it, the plan pays the full cost of additional covered care.

Employees whose working spouses have access to affordable health care that meets the Affordable Care Act (ACA) minimum guidelines through another employer are subject to a $120 monthly surcharge if they choose to have their spouse remain on the Creighton medical plan. This surcharge has not changed, but the process of managing it is now built into the open enrollment experience in the ADP Benefits System. In the section regarding medical benefits, you will see a question related to a spouse. Once you answer the questionnaire and confirm your elections, the process is complete.

Campus Pharmacy and Express Scripts Network
Creighton’s prescription drug benefit is integrated with the medical plan (UHC) but managed by Express Scripts (ESI). Your pharmacy benefit information can be found on your medical ID card from UHC. Additionally, members can manage medications, find nearby pharmacies and more by downloading the Express Scripts app or by utilizing the myuhc.com website or UHC app to link to the pharmacy benefit details.

The Campus Pharmacy in Omaha is committed to providing patients with comprehensive health care, educational opportunities and convenient pharmaceutical services. For more information, go to creighton.edu/pharmacy-ot-pt/clinical-services or call 402.449.4560. ### Which dental plan is right for me?

**Creighton Preventive**
The Preventive dental plan offers the most basic care, covering 100% of your cleanings. If a dental problem arises, while the plan won’t pay, using a MetLife network provider will get you discounts on the services needed.

**Creighton Basic**
The Basic dental plan offers coverage that works for the majority of participants. Included are your routine cleanings and exams, and help paying for the basic and major restorative procedures such as fillings, extractions, crowns and bridges. This plan promotes good dental hygiene through preventive care and helps cover dental services you may need at a low cost.

**Creighton Basic Plus Ortho**
The Basic Plus Ortho dental plan offers the same comprehensive coverage as Basic, but also covers orthodontia. The lifetime orthodontia benefit is $3,000/person.
What are my vision plan options?
Vision exams are as important to your health as your dental cleanings or annual wellness exam with your physician. A comprehensive eye exam can help lead to early detection of diabetes or hypertension. That’s why Creighton’s vision coverage through VSP provides an eye exam annually along with other benefits to help ensure you see clearly.

Tips for Life Insurance:

- Life insurance coverage will carry over if you don’t make any elections during open enrollment.
- Open enrollment is a good time to review your designated beneficiary(ies) for all your insurance and retirement benefits.
- During open enrollment, if you are currently enrolled in Voluntary Term Life and your election is below the guaranteed issue amount ($150,000 for employee and $50,000 for spouse coverage), you or your spouse can increase your coverage by one level without underwriting. For example, if you currently have $120,000 of Voluntary Term Life coverage, during open enrollment you can increase your coverage by $10,000 to $130,000. If your spouse has $30,000 currently, you could increase their coverage by $5,000 to $35,000 in 2023.
- If you are electing additional life insurance for yourself or your spouse for the first time during open enrollment, you will be required to provide Evidence of Insurability.

How do I name a beneficiary?

Naming a beneficiary is an easy, straightforward process for you and the key people in your life, but it is important to follow the procedure correctly to avoid legal and financial problems.

Now is the time to review your beneficiaries to ensure you have all of your benefits that require a designation covered:
- Group Term Life and AD&D Insurance
- Voluntary Term Life and AD&D Insurance
- 403(b) Retirement Plan: Principal/TIAA
- Health Savings Account (HSA)

What is a beneficiary?

A beneficiary is the person or entity you name to receive death benefits, including:
- A charity
- Estate
- One person
- The trustee of a trust you’ve set up
- Two or more people

There are two types of beneficiaries:
Primary: The primary beneficiary receives the proceeds when the insured person dies.
Contingent: Also known as the secondary beneficiary. This beneficiary will only receive proceeds if the primary beneficiary has died.
