

Student Accessibility Services at Creighton University is committed to providing services and resources to meet the need of qualified students with disabilities by establishing equal access to academic programs and University facilities. Students with a documented disability who wish to request academic accommodations in a particular class are encouraged to contact Student Accessibility Services as soon as possible to discuss the request process and eligibility requirements, as accommodations are not retroactive. If you believe that you may qualify or have questions regarding accommodations, please visit the [Student Accessibility Services Website](#) for more information or contact Student Accessibility Services at SAS@creighton.edu.

Once accommodations are granted from Student Accessibility Services students are responsible for informing their professors of approved academic accommodations. Accommodation letters are generated and shared via ClockWork, an accommodation software system.
