## Sustainable Creighton Commuting Guide

The Sustainable Creighton Commuting Guide is a resource to help you find sustainable strategies for walking, riding your bike, taking the campus shuttle and city bus, carpooling, and more.

### Biking

Riding your bike is a great way to get to campus while also keeping up with your fitness and reducing greenhouse gas emissions by not driving to campus. Bike racks are available outside all of our residence halls and many of our campus buildings. Check out our bike rack map to see where you can park your bike.

To explore beyond campus, use the Omaha Metropolitan Area Bicycle Map.

Don't have a bike? Heartland Bike Share has you covered! With stations near campus, you can rent bicycles and get to popular areas of town. Nearby stations are located at 23rd & Cuming, near Morrison Satdium at 19th & California, in front of Atlas Apartments at 29th & California, and 24th & Dodge.

### Walking

Omaha is a great city for walking. According to WalkScore.com, it takes about 15 minutes by walking and 4 minutes by biking to get to downtown Omaha from campus.

Enter your address into WalkScore.com and see how far you can commute in a given timeframe by walking, riding your bike, taking the bus, and driving.

### Carpooling

Data from our 2018 Parking and Transportation Survey shows that 73% of student, faculty, and staff live in a zip code with 30 or more individuals commuting to Creighton.

Carpooling with friends and colleagues reduces the amount of single-occupancy cars on the road and in campus parking lots. By carpooling, you are reducing your greenhouse gas emissions.

### On-Campus Resources for Bikers

Showerers are available in the Kiewit Fitness Center and the Rasmussen Center. All you need to access them is your Creighton ID.

- Lockers - If you are looking for a place to store your belongings on campus, consider:
  - Kiewit Fitness Center
  - Rasmussen Center
  - College of Nursing, Criss II 2nd Floor
  - Eppley Building, Ground Floor

### City Bus

Six Metro bus routes conveniently serve the Creighton University area, making it easy to get around. If you’re heading to Target or other spots along Dodge Street, consider exploring ORBT, Omaha Rapid Bus Transit. New to riding the bus? Check out Metro’s ‘How to Ride’ Video to learn how easy commuting via bus can be. Metro also provides the ‘Plan Your Trip’ Tool and MyRide OMA app for convenient trip planning. Whether you’re a new bus traveler or a seasoned commuter, these tools have you covered.

And if you’re a Creighton student, remember that the Student Leadership and Involvement Center (SLIC) offers Metro bus passes on a first-come, first-served basis.

### Creighton Shuttle

East and West shuttles run concurrently throughout the day and evening hours to link all corners of campus and destinations in between. The Burt Street shuttle connects our eastern parking lots with central campus. Access shuttle schedules online.
Sustainable Creighton Commuting Guide

Van and Shuttle Rentals
Shuttle Services has you covered for your events and trips both in and out of town! Rates and reservation information are available online.

Taxis, Ubers, Lyfts
In addition to rideshare services such as Uber and Lyft, there are five taxi services in the city of Omaha.

Electric Vehicle Charging Stations
If you have an electric vehicle (EV) and need a charge while on campus, we have two charging stations for you:
- 24th Street Garage (lowest level on West side)
- 20th Street Garage
Access more information about EV stalls and charging procedures.

JayRide
If you need late night transportation, JayRide will be there. Free transportation is offered anywhere within the area bound by Dodge and Cuming Streets from 15th to 38th Streets. Call 402.546.TAXI (8294) between the hours of 9 p.m. and 2 a.m. (Fridays) and 11 p.m. and 2 a.m. (Saturday through Thursday).

Motorcycle Parking
Motorcycles parked near bicycle racks do not require a parking permit; however, motorcycles that take up a parking stall must display a current parking permit.

Parking Passes
Students, faculty, and staff can purchase annual, monthly, weekly, and daily parking passes. Parking regulations apply 24/7/365. Pricing, parking maps, visitor permits, and more information about parking passes are available on the Public Safety website.

Restricted Areas
Please do not park in the following areas:
- Handicap spaces. Only vehicles with state-issued handicap permits or licenses may park in these spaces.
- Fire lanes, fire hydrants, gate arms, or any garage doors.
- Grass or landscaped areas.
- Spaces designated with Reserved signs.

Public Safety
Michael Reiner serves as the Director of Public Safety and leads the Public Safety team.

Calls made to the Creighton University Emergency Line (402.280.2911) go directly to the Public Safety Dispatcher who directs the activities and responses of on-duty officers and contacts local emergency responders, as needed. Students and employees should report emergencies and criminal activity to Public Safety at 402.280.2911. Non-emergency calls should be directed to 402.280.2104.
