

# *History of Sustainability at Creighton*

## **Prior to OSP**

**The Office of Sustainability Programs (OSP) was launched in 2017 to serve as a hub of collaboration for sustainability on campus. Prior to the establishment of the OSP, dedicated individuals made significant contributions which ultimately led to establishing an office devoted to sustainability.**

- 1991** The Environmental Science major is founded
- 1995** Creighton begins recycling (suspended for 10 months due to COVID-19 in 2020)
- 2008** Facilities Management forms the Sustainability Council
- 2009** Facilities Management publishes a sustainable purchasing policy
- 2010** Creighton President, Rev. John Schlegel, SJ, PhD, signs the Association of American College & University Presidents Climate Commitment, pledging Creighton will reach climate neutrality by 2050
- 2011** The Energy Technology Program is founded (sunset in 2018)
- 2013** Creighton's first Climate Action Plan is written
- 2013** Creighton President, Rev. Timothy Lannon, SJ, signs the St. Francis Pledge to Care for Creation and the Poor
- 2013** The Division of Student Life begins partnership with Goodwill to annually divert over 60 tons of material from residence halls during move-out
- 2014** The inaugural Spirit of St. Francis award is presented
- 2015** The Sustainability Studies program is founded
- 2016** Creighton President, Rev. Daniel S. Hendrickson, SJ, PhD, convenes the Presidential Advisory Committee on Sustainability
